Purpose of the Organization

The Calgary Stampede is a not-for-profit community organization that preserves and celebrates our western heritage, cultures and community spirit. Supported by over 2,500 passionate volunteers, our year-round events, programs and initiatives invest in youth, support agricultural programs, celebrate western culture, make a lasting economic impact in our city and entertains a global audience.

The Exhibitors at the Calgary Stampede are large contributors to what we believe to be The Greatest Outdoor Show on Earth. Working together, we are able to connect with our community through programming initiatives. It is important to us to maintain our western heritage while maintaining our rural and urban connections.

Flat Rate Exhibitors

- Exhibitors wishing to sell any products and/or services that will be used primarily off the park or services that will be performed at a later time
- Exhibitors in this category are required to pay a flat rate fee for the booth space equivalent to booth square footage multiplied by the space rate (please find in Budgeting Guidebook)
- This fee must be paid in full by May 3rd, 2023.

Percentage Exhibitors

(Food & Beverage/Custom Services)

- Exhibitors wishing to sell any immediately consumable food or beverages, personalized or customized products/services on a person (Food, beverages, tattoos, piercings, etc.)
- Event payments will be made based on the daily sales for each booth space they are licensed for, and each location is required to meet or exceed the booth's allotted minimum guarantee
- Exhibitors shall pay the Stampede 25% of their gross sales (net of GST) or a minimum rate guarantee, whichever is greater
- Percentage Exhibitors **MUST** submit daily sales records to the assigned drop-off location

Display Requirements

The Calgary Stampede has specific requirements in place to ensure the quality of booth presentation which reflects the overall appeal of The Market so please ensure that you're following these guidelines.

Lighting

- All Exhibitors are required to provide their own booth lighting and ensure their entire booth is 'lit' up. The space may have ambient lighting and the overhead lighting in the hall may not be set to 100%.
- Note: Lighting design must be presentable; no industrial lights will be permitted

Booth Design

- When accepting booths, the Calgary Stampede will first look at the physical appearance of the booth you wish to bring by focusing on the 5 Principles for Excellent Indoor Booth Design: design – theme – colour– lighting – display

Flooring

- Exhibitors **MUST** have the entire booth space floor covered with carpeting or other suitable product

Booth Walls

- Exhibitors will be provided 8' high, black drape for the back and 4' drape for sides. Open concept booths are highly recommended as they allow guests to move freely around your booth and they do not obscure sightlines
- Exhibitors are entitled to a reasonable sightline from the aisle, while not interfering or excessively blocking other Exhibitors

Other Requirements

- Booths must be an open concept design and able to accommodate guests without blocking the aisle or crowding other vendors
- Booth construction must be professional in appearance
 - Must be attractive and colourful
 - New and clean flooring, signs, counters etc.
 - Product and storage material **MUST** be out of sight
 - Covered wheels and other bases of units
 - Booth and surrounding area should be clean and tidy at all times
