Why Should I Join?

Here are the top four reasons the Maker Market is like no other market experience you've had.

EXPOSE YOUR BRAND TO LOCAL, NATIONAL, AND INTERNATIONAL VISITORS

Show your unique product to more than 600,000 potential customers. Connect with other exhibitors and get courted by other markets and buyers. Be ready to hustle with your business cards, an email sign-up list and to respond to requests for future wholesale and custom orders.

DELIGHT CRAFT MARKET NEWBIES

They'll be thrilled to discover you're local, handmade, custom and upscale. Become someone's favourite Calgary Stampede discovery, gift or souvenir.

MARKET IN SUMMER

Be a part of the largest summer market in Alberta. We're also a community of Makers who support each other throughout the year. You can choose from two blocks of dates within the 11-day show.

ENJOY THE EXTRAS

Booths are draped and include a skirted table, chair, and a 1500-watt outlet. We're located in the BMO Centre, Calgary's largest exhibition facility. Apply now! We can't wait to help our guests discover your brand of awesomeness.

Am I Right for the Market?

WHAT DOES LOCAL MEAN?

We invite local craft artists to apply, provided they:

- Reside in Canada
- Submit their own original work, designed and developed by the artist
- Have products made in Canada, or ethically made elsewhere (please describe). Preference may be granted for Canadian-made products

No third-party products, kits, or network marketers will be accepted.

WHAT KINDS OF PRODUCTS ARE ALLOWED?

We are looking for creative applications of materials using a wide variety of techniques and finishes to produce original, artistic and appealing goods for sale.

All applications will be evaluated by attractive booth display, product originality, marketability, quality, uniqueness, and overall market product mix for each block(s).

Makers of edible prepackaged products are permitted at the Maker Market (no sampling or cooking on-site permitted).

What Should I Know About the Booths?

BOOTH RENTAL

The Maker Market rents booth space to local artisans and crafters to showcase their amazing work to the guests of the Calgary Stampede in their own pop-up shops. The Maker Market does not charge any commission on exhibitor sales.

BOOTH SPACE

We are located in the BMO Centre. We will be located in the halls B&C for 2023, though our final spot in the building is not yet known.

New booth sizes are available for 2023:

Option 1: 10' x 10' exhibitor space

Option 2: 10' x 15' exhibitor space

Our all-in pricing includes these booth extras:

- Pipe and Drape
- 1500-watt power outlet
- One draped table (skirting around front and sides, open at the back)
- One Accreditation pass for the exhibitor (entrance onto park for the 11-days)
- One daily gate admission pass for each day of the block(s) for a helper

SET UP & TEAR DOWN

Move-ins are generally on the morning of the first day of the block, tear-downs are generally after closing on the last day of the block. Once accepted, exhibitors will receive logistics information for set up/restocking/tear down.

What Are the Fees?

PAYMENT DATES

The non-refundable booth rental payment is due May 3, 2023.

Is There any Marketing Support?

We provide event signage and area décor to create a space in the BMO Centre that sets us apart from the rest.

We expect exhibitors to promote their appearance at the Maker Market on their website/blog and on social media with at least one post in June and one post the week prior to their appearance. Images will be provided for these posts. Additional marketing and promotion are encouraged!

Additionally, we expect accepted artists to allow Calgary Stampede permission to use their images for marketing and promotion. Please note that the Calgary Stampede wordmark and CS brand are trademarked; they may not be used without the express permission of the Calgary Stampede.

How Do I Apply?

We welcome makers from across Canada to apply to the Maker Market. Interested exhibitors should:

PHOTO REQUIREMENTS

The quality of your digital photos is extremely important! As we will not be able to see your products in person, the 5-10 photos you select to represent your work should be crisp, clear and well-lit so your quality, attention to detail and craftsmanship easily shows.

We strongly recommend using a camera, not your Smartphone. Please do not compress your images to get a smaller file size as this degrades the image quality.

Photos must be:

- Filename by artist/studio
- .JPG file format (e.g. yourstudio_1.jpg, studioXYZ3.jpg)
- Landscape orientation
- Max 3 MB (3000 KB) file size
- 300 dpi resolution
