

Villain and DV8 present The Legacy! These two MC icons combine their individual strengths in an absolute one of a kind hardstyle classic live experience. Since the uprising of the hardstyle genre both Villain and DV8 have left a clear mark in the industry. They were the first hardstyle songwriters ever to emerge in the scene and over the years the gentlemen have worked with pretty much every big time producer out there. This has resulted in a combined discography that simply can't be matched by any other mc out there.

For 'The Legacy' Villain and DV8 take it back to the very soul of their work. A set filled with iconic tracks that were built around their vocal foundation and ultimately defined a generation. Just think of 'Nothing Else Matters', 'Keep It Coming', 'Electronic Stereophonic', 'Sound of Thunder', 'Part Of The Hard' and 'Sound Intense City'. Just to name a few.

On stage both Villain and DV8 each have their unique reputation. As hosts they have played every major festival on the globe. Put this in the mix with all the tracks they wrote and you know what to expect: An exclusive, energetic, one of a kind classic live act brought to you by the biggest voices in hardstyle.
