WHISKY FLIGHTS

LOWLAND HOME

These three whiskies represent the quintessential Lowland Malt but offer a twist to the light floral style expected in our signature 12 Year-Old. The Distillers Edition is a bourbon cask whisky finished in Amontillado seasoned American Oak casks. An intriguing use of American first-fill Bourbon Barrels influences the Distillery Exclusive and the rich, spicy Wine cask is our hand-fill option in retail.

AROUND SCOTLAND

Away from East Lothian and the Lowlands discover three other key regions of Scotch whisky in this flight. The soft Highland stalwart Dalwhinnie is Scotland's highest distillery. From Speyside, Mortlach, known as the Beast of Dufftown, begins life as a rich meaty new make. Smoky Caol Ila from Islay, finishes this flight as the key contributor to most Johnnie Walker whiskies.

SPECIAL RELEASES

Whisky connoisseurs appreciate Diageo's Special Releases. The Whisky specialists based in central Scotland create liquid that is innovative in its production or maturation and these limited releases are bottled at cask strength.

A GENERATION MATURED

If age is your thing, then look no further than this flight which features the oldest liquid we have in our Lowland Bar. Enjoy luxurious drams from Speyside and the Lowlands – our very own Edinburgh Malt, Glenkinchie.

JOHNNIE WALKER

A collection of less well-known expressions from one of the world's most recognised Brands. Sample the regal King George V or the latest Black Label innovation, Black Ruby.
