

Feed in Tariff (FiT) bereavement form

Please complete this if you're informing us of transfer of ownership following a bereavement. Any installation that is receiving payments under the Feed in Tariff scheme is classed as a financial asset and should be dealt with as part of the legal estate of the registered owner.

When you've completed this form, please return all pages along with all supporting documents to:

Email: **hi@eonnext.com**

Post: FiT Team, E.ON Next, Floors 5-7, Rutland Centre, Halford Street, Leicester LE1 1TQ

If you have any questions around completing these forms please email or call us.

Phone: **0808 501 5200**

There is one form per FiT agreement only. If you wish to change the details on more than one FiT agreement, you must complete a separate application for each one.

Type of request	Executors to complete sections	New generator to complete sections	Checklist
I am the executor of the registered generation unit	1A		
	1B		
	1C		
	1D		
	1E		
	1F		
		2A	
		2B	
		2C (if applicable)	
		2D	
		2E	

The executor of the deceased will need to provide the following documentation:

- **A copy of death certificate**

- **A copy of the will or grant of probate**

If these are not available then a letter of administration of the estate required from the solicitor.

- **Proof of identity for all executors**

This can either be a photocopy of passport, driving license or the equivalent identification document issued by a recognised official body .i.e. fire arm license/national identity card/birth certificate. (This needs to be provided even if you are already an E.ON Next customer)

Please note: if you're sending a copy of your birth certificate you'll also need to provide additional documentation such as a copy of your National Insurance Card or P45/P60/payslip or marriage certificate/decre nisi/decre absolute.

Section 1 – Registered generator

1A – Details of the deceased

Title:	First name:	Surname:
House number/name:		
Street name:		
Town:		
City:		
County:		
Postcode:		
FiT ID:		

1B – Details of the executor

Title:	First name:	Surname:
House number/name:		
Street name:		
Town:		
City:		
County:		
Postcode:		
Home telephone number:		
Mobile telephone number:		
Email address:		
Company name: (if applicable)		
Company number: (if applicable)		
Signature:		

1C – Bank details for final payment

Account holder's name:	
Bank name:	
Branch address:	
Sort code (6 digits):	
Account number (8 digits):	

1D – Each executor named on the will or grant of probate must sign below and provide a copy of proof of identification

Signature:		Date:	
Print name:			

Signature:		Date:	
Print name:			

Signature:		Date:	
Print name:			

Signature:		Date:	
Print name:			

1E – Meter reading and details

(This meter reading will be used to calculate the final payment as well as start payments to the new payee. If you do not provide a meter reading we won't process your transfer.)

Meter serial number (MSN):		Date:	
Generation meter reading(s):		Date:	
Export meter reading(s): (if applicable)		Date:	

Do you have a battery storage device to store the electricity created by your generation system?

Yes ☐ No ☐

If this is the first time you are making us aware of your battery storage please provide us with the information below:

- ☐ **A battery schematic diagram** – A diagram to show how your battery is wired in to your system
- ☐ **Battery storage declaration** – This can be sent you on request and will need to be completed by the generator and installer

1F – Transfer of ownership, to be signed by the executor

To be signed by the executor for the account named in section 1B.

I am currently the executor of the generation unit owner referenced in section 1A. I wish to transfer the ownership of the generation unit to the person referenced in Section 2A and FiT payments to the person referenced in section 2B.

By signing this declaration I agree to meter reading(s) provided in section 1E.

Signature:

Date:

Print name:

Section 2 – New generator

The new generator will need to provide the following documentation listed below:

- **Valid proof of identity**

Proof of identity of the new customer and new payee; this can either be a photocopy of passport, driving license or the equivalent identification document issued by a recognised official body .i.e. fire arm license/national identity card/birth certificate. (this needs to be provided even if you are already an E.ON Next customer)

Please note: if you're sending a copy of your birth certificate you'll also need to provide additional documentation such as a copy of your National Insurance Card or P45/P60/payslip or marriage certificate/decreet nisi/decreet absolute.

- **Proof of ownership of the installation (if property has been sold)**

We will require proof that the solar PV system has been transferred to the new generators. We can accept the following documents as proof of ownership:

1. Law society property information form know as TA10 fixtures and fittings documents showing solar panels.
2. Letter from solicitor on company headed paper clearly stating that the solar panels were included in the purchase of the property and showing your FULL name. Alternatively a letter from the previous owner confirming this transfer showing your FULL name.

- **Proof of address (If not an EON Next energy customer)**

Proof of address of the new customer in the form of a utility bill, bank statement, council tax bill or equivalent document, dated within the past 3 months. You do not need to provide proof of address if the new generator is already an existing E.ON Next energy customer who is named on the account.

2A – New generator details

(Site details.)

Title:	First name:	Surname:
House number/name:		
Street name:		
Town:		
City:		
County:		
Postcode:		
Home telephone number:		
Mobile telephone number:		
Email address:		
Company name: (if applicable)		
Company number: (if applicable)		
FiT ID:		
Electricity account number (if EON Next customer)		

2A – New generator details

(Correspondence details if different from above.)

House number/name:	
Street name:	
Town:	
City:	
County:	
Postcode:	

2B – Multi-installation declaration (You must complete this section)

(Solar PV installations only.)

All applications for solar PV installations, need to be accompanied by this completed declaration. This will then be used by FiT Licensees/Ofgem as appropriate to determine whether or not the multi-installation tariff rates should apply to your installation. This may affect the tariff rate you receive.

Please tick the option below which best describes your situation:

Does the FiT Generator (i.e. owner of this installation) or the Nominated Recipient (person/company receiving FiT payments from this installation) own, or will receive, FiT payments from 25 or more other eligible solar PV installations?

Yes – I own 25 or more eligible solar PV installations ☐

No - I don't own 25 or more eligible solar PV installations ☐

Signed FiT generator:	Date:
Signed nominated recipient: (if applicable)	Date:

2C – New payment details

New FiT payee – Please complete the details of the FiT payee. If you wish to nominate a recipient for your FiT payments, then complete this section below using their details:

Title:	First name:	Surname:
House number/name (or business name):		
Street name:		
Town:		
City:		
County:		
Postcode:		
Account holder's name:		
Bank name:		
Branch address:		
Sort code (6 digits):		
Account number (8 digits):		

2D – Transfer of ownership declaration

I confirm that I will now be named as the generation unit owner for the generating unit referenced in this application. I confirm that all the information given in this form is complete and accurate. I understand that this information will be held on the Central FiT Register and that I must notify E.ON Next immediately of any change to it. I am aware that all correspondence will now be sent to me and that in order to receive FiT payments I must continue to provide quarterly meter readings.

By signing this declaration I agree to meter reading(s) provided in section 1E.

Signature:		Date:
Print name:		

2E – Self billing agreement

(For businesses only.)

VAT registered FiT customer will be required to account for VAT at the standard rate on any Export Tariff payments received. This section confirms details of your self-billing agreement with E.ON Next.

Old company name:	
Company registration number:	
New company name:	
Company address:	
Company VAT number:	

By entering into a self-billing agreement with E.ON Next, you agree to the following:

- I agree for the self-biller, E.ON Next, to raise invoices in respect of any FiT generation and export tariff payments received.
- I agree not to raise VAT invoices for any FiT generation and export tariff payments.
- I agree to inform E.ON Next if my VAT details change or if I cease to be registered for VAT.
