Would you all be happy with replacing the par with this:

*“During the course of the review, we utilised expertise from across the Gambling Commission and a specialist external QC to examine **compliance with the licence conditions and codes of practice**, the business model, the finances of the company and the complex legal questions over the appropriate regulatory framework.*

Hi [REDACTED]

I spoke to [REDACTED] to give her the heads up, I think [REDACTED] and [REDACTED] could bottom this out today, as [REDACTED] is occupied with [REDACTED] today.

The longer this is out there as is the more time public have to look into and individualise this, which isn't what we want.

Can I assist in any way?

Huge thanks [REDACTED] for giving this immediate attention really appreciate it.
