Hi [REDACTED],
Many thanks indeed for the very helpful comments on the press release. We have incorporated your suggestions and also added a sentence about the longitudinal study. Could you let me know whether the attached version works?

If you're happy with it, we will release it on Thursday 3rd February.
Best wishes,

[REDACTED]

Hi [REDACTED]
Just checking that you received our comments on the draft press release and that they were helpful? Also, do you have an intended go live date for this?
Thanks

Hi [REDACTED]
I have shared with colleagues and we have suggested two amendments to the wording in the press release (see version attached).
We also wondered whether it would be possible for the press release to emphasise the possibility of whether the longitudinal aspects would be viable/useful? I think this was mentioned as a possible phase 2 in the original proposal?
Please do come back to me if you have any queries.
Many thanks

Thanks [REDACTED]
I'll share with colleagues and get back to you on this ASAP.
Usually, we would suggest wording to the effect of 'With funding from a regulatory settlement approved by the Gambling Commission' but we'll confirm when we respond formally.
Regards
[REDACTED]
PS – I know I also need to come back to you with some dates for a meeting to discuss the project and will do that later today.

Dear [REDACTED],
We'd like to publish a press release about the project and have drafted one (copy attached herewith).
Are you happy for us to go ahead with this? And is the formulation 'With funding awarded by the Gambling Commission' agreeable?
With best wishes,
