From my recollection it was discussed but in very broad terms [REDACTED]
[REDACTED] Likely not in minutes due to LPP issues and the advice itself was on a very closed group, I have asked several times to see it and never been given it so not sure how much more we can do without legal input?

...s no evidence of the owners of BetIndex removing vast amounts of monies through dividends for their own gain and deprivation of customers holding shares/bets.

We discussed our position around the product being illegal or fraudulent at group meetings but this was not formally recorded. (I can't find anything where we discussed this!!)
