Hi there [REDACTED],

In terms of contacts for the LAs – and this is according to our existing database provided by the LAs – they are as follows. My caveat being that as fall back or duplicate I would suggest always include 'licensing@.....' The vast majority of LAs have this system so you should be fairly confident in getting through to them if the current contact details don't work. [REDACTED]

Hi [REDACTED] when you say 'developed' just to be clear – do you mean that a licensed operator has not used them? [REDACTED]

Hi [REDACTED] [REDACTED]

We're planning on sending out letters next week to the local authorities who have not developed their 2005 Act casino licences. I wanted to make sure that the letter goes to the right people in the first instance so I was wondering if you had the contact details for the below LAs?
