Hi all

[REDACTED] has provided the attached from BetIndex regarding a new bid function to purchase share below market price. Ive discussed briefly with [REDACTED] and suggested we can discuss in meeting tomorrow

Thanks

Hi

Following on from the product enhancement document provided by BetIndex. They have now provided the attached test document.

Hi

Not sure who I should be sending this to and in fact, you may already know about it. Key Event received yesterday from BetIndex outlining a product enhancement – please see attached.

If anyone else needs to see this please let me know.

Regards
