Subject: BetIndex - Engagement with the FCA - an update
Date: 10 June 2020 15:13:20

Good morning afternoon all

I met with [REDACTED] of the Unauthorised Business Unit (UBO) of the FCA on Monday regarding the BetIndex product. [REDACTED]

Next Steps

- This leaves us in the position that we have BetIndex licenced by us, where only a small portion of the product offering falls within our remit, so we need to agree a way forward with both this operator and others.
- I've discussed with [REDACTED] and agreed I will pull together a list of scenario's /options for a way forward with these licence models, with the aim to then escalate and get a Commission agreed view on how we approach these going forward.
- I'll be seeking input/views from everyone, with the aim to circulate a final draft next week and a meeting w/c 23 June when [REDACTED] is back from annual leave.

Feel free to email/call me if you have any queries/concerns in the interim.

Thanks
