She said timeline, she meant narrative report – I've asked for a skeleton outline so we can give her exactly what she is looking for, I'll forward on when I have it.

Hi all,

So you are sighted on [REDACTED] latest request- I am not sure what else needs to go in the timeline but we can see what she says, [REDACTED] I attached your presentation on BI- is there anything else you wish to add on the [REDACTED] Can you please cc me in when you respond to [REDACTED] so that I keep track and if you want to discuss anything today please let me know.

[REDACTED] can you please double check that the timeline is complete and reflects everything (though I seem to think we have already done this) and let [REDACTED] and this group know if you do update anything.

Let me know if a quick call would assist, and thank you all for your continued hard work and efforts,

Hi [REDACTED],

Re BI- were the previous timelines considered insufficient? [REDACTED]

In terms of [REDACTED] views on the report I'll commission that now and ask that it is provided to you on Monday [REDACTED]) but his initial analysis was in the presentation which I forwarded on previously [REDACTED] but will ask him to see if there is

anything else he wishes to add. I'll see if there is anything else post [REDACTED] report, but from my recollection after our meeting with them, the working group set up by [REDACTED] and led by [REDACTED] took lead and that should be in the timeline above.

[REDACTED]
[REDACTED]

General- agree and suggest we meet next week to ensure who is doing what and what specifically you would like

Happy Friday afternoon both!

Re BetIndex:

- could we get for DCMS and Ministers a timeline of what action we took when since being aware of the issues. I am aware of the action notified on 20 May 2020 but there is no doubt other material? I think it will also be useful to include if possible action following receipt of [REDACTED] report [REDACTED] and if possible, a summary from [REDACTED] re his view of the report. I think early on we had concerns that the product falsely hyped to attract customers? The minister has read the [REDACTED] report so I would like to be prepared for qs on it. I could do with this report on our actions by Tue
- Could I have a readout of the court hearing later please. Who is attending for us and is it just as an observer? I intend to update Commissioners and DCMS with this info

I am around today to help with any of the above.

Thanks as always for your efforts.
