## Dear Friends of Malta,

Thank you for your support for this outreach to the homeless and poor of Southeastern CT. We are so blessed that you have been a part of what we are doing and we hope you are having a great 2018 so far.

## Students Who Care

This winter 3rd, 4th, and 5th grade students from CB Jennings School in New London learned how to knit hats in their after-school enrichment club, led by Arlene Morrison. Each student made one hat to keep and one to donate to the homeless through the Malta Street Ministry. In addition, some students also had time to make fleece scarves to donate. In all, over 30 hats and scarves were provided and students learned the value in giving back to their community. Malta board members, and those who received the gifts, would like to thank these students for their hard work. Everyone who received one of the donations was truly touched by this loving act.

## To Our Volunteers

Malta continues to send our volunteer teams out to designated meeting places several times a week to Groton, New London and Norwich. The men and women we meet are truly thankful for the generosity of so many people who give their time and resources to help them have a better life.

*If your organization is interested in volunteer opportunities or in having a Malta Representative come speak to your group, please contact Outreach Coordinator, Lori McClain, at 860-271-9892*

## Thank You Terri

Terri Ely has been a faithful Malta Street Ministry Coordinator for many years. She has been behind the scenes to make sure all the food is prepared correctly; all our bins are stocked; and all of our volunteers are trained in order to better help those in need. At the end of February, Terri stepped down after many years of faithful service. We appreciate all she has done for Malta and for her willingness to serve others.

## New Coordinators

Recently, Malta has appointed new Street Ministry Coordinators, Robin and Gil Depot, and a new Outreach Coordinator, Lori McClain. They are all excited to take on their new rolls and we look forward to seeing all that God accomplishes through them.
