

Aptean Compiere ERP

# Open-Source ERP & CRM Solution

Aptean Compiere is an integrated, open-source enterprise resource planning (ERP) and customer relationship management (CRM) solution that helps streamline your operations and gives you the flexibility to run your business your way. Use Compiere to automate your financial, distribution, sales and service processes quickly, affordably and easily.

## User-Friendly and Adaptable

Aptean Compiere provides organizations with user-friendly, flexible tools that optimize processes across the enterprise.

- ▶ **Multisite Enterprise Resource Planning (ERP)** – Streamline and automate your critical business processes – from product production to warehouse management.
- ▶ **Order Management & Financial Management** – Accelerate the processes required for quote creation, sales order management, invoicing and global financial management.
- ▶ **Customer Relationship Management (CRM)** – Streamline your sales, marketing and service operations and gain a 360-degree view of customer interactions.
- ▶ **Performance Management, Analytics and Reporting** – Examine operational performance with a range of reporting options and customizable, role-based management dashboards.
