

Kindthread is a modern, digitally-forward, customer-obsessed organization, dedicated to serving healthcare professionals while driving positive community impact.

Community Focused

Our values of Integrity, Individuality, Curiosity, Empathy and Utility guide our philosophy on how we serve our healthcare professionals, business partners, our communities and each other.

Purpose Driven

Through advocacy, awareness and action, we are focused on the mental health and well being of healthcare professionals worldwide.

Category Defining

We believe in creating distinct value to the portfolio by providing unique products, services and experiences to our partners and uniting around our progressive approach to the industry.

The new standard for Healthcare and Occupational apparel

In-house talent driving industry transformation

David Murphy

CHIEF EXECUTIVE OFFICER

David is fulfilling his long-held desire to build an organization with integrity and service at its core. Together with the leadership team, David is dedicated to serving and transforming the healthcare apparel industry while driving positive community impact.

Sallian Song

CHIEF PRODUCT OFFICER

Salli's extensive experience and accomplishments within healthcare apparel have made her a well-respected leader in the industry, known for creating exciting, top-quality, and commercially successful product collections globally.

A global collection of trusted brands and highly coveted products

Landau

For work. For life. Since 1938. American heritage brand and global supplier of uniforms made from the highest quality fabrics.

Hailed as an iconic brand in the uniform industry, the White Cross story is rich in history and heritage spanning three generations.

Chefwear was founded over 30 years ago by a celebrated chef and entrepreneur.

scrubs&beyond

For over 20 years, Scrubs & Beyond has offered fashion-forward products and outstanding customer service.
