PORSCHE ICE EXPERIENCE 2027.

Porsche Ice Experience.

EXTREME DRIVING PLEASURE. ICY PRECISION.
UNLEASH YOUR PASSION – THE PORSCHE WAY.

Porsche Arctic Center in Levi, Finland – where the **Porsche Ice Experience** ignites your passion.

On challenging ice tracks, behind the wheel of the latest Porsche models, you will feel the heartbeat of Porsche as it comes to life beneath your fingertips. The 2027 season brings a spectacular array of driving formats, with four consecutive training stages: **DISCOVER, LEARN, BOOST** and **RACE**.

For those seeking the pinnacle of exclusivity, we offer tailored experiences with a personal Porsche instructor: **Her Ice Experience Intense, Ice Force Intense, Ice Force Pro Intense** or **One2One**. Each designed to push the limits of your performance and take you even deeper into the art of driving.

This season awaits you with a **new accompanying programme** that brings you even closer to the action. Discover the unique atmosphere of the Porsche Arctic Center while experiencing Finland's Arctic landscape - from a husky safari through snow-covered forests to unforgettable moments on ice. Following the success of the Ladies Edition, participants of the **Her Ice Experience** share challenges on snow and ice this season in the training stages DISCOVER or LEARN.

From beginner to expert – your journey will be nothing short of transformative. Surrounded by the breathtaking winter landscapes of Levi, the Porsche Ice Experience is more than just driving – it is about mastering the art of control, experiencing the thrill of precision and creating moments that stay with you forever.

DRIVE THE THRILL.

Winding forest routes, expansive handling tracks and technically demanding sections push the boundaries of driving physics – all set within the breathtaking stillness of Finnish Lapland.

On over 55 hectares of expertly designed terrain, divided into **Area North** and **Area South**, you will discover the incomparable sensation of piloting a Porsche over ice and snow.

Each area offers a carefully curated variety of track layouts, challenges and difficulty levels – all designed by legendary racetrack architect Hermann Tilke, whose signature can be found on some of the world's most iconic Formula 1 circuits.

Here, driving becomes art. Performance becomes instinct. And every drift is an expression of control at the highest level.

Adrenaline, elegance and nature – fused into one extraordinary experience. Is there a more thrilling way to discover the wild beauty of the far north?

Levi, Finland.

WHERE WINTER STILLNESS MEETS PURE COMFORT.

Northern lights, reindeers and every facet of Arctic winter: the region surrounding Levi captivates with its pure, untamed beauty – just like your carefully selected **accommodations**.

Nestled directly on the ski slopes and just a short distance from Kittilä Airport, the “**Hotel Levi Panorama**” offers light-flooded rooms, sweeping views of the snow-covered landscape, and even a gondola connection into the heart of the village. Whether skiing or hiking – adventure begins right at your doorstep.

Participants of the Ice Ultimate format reside at the “**Northern Lights Ranch**”, approximately 15 kilometres from Levi. This exceptional 5-star retreat enchants with its serene atmosphere and iconic Sky View Cabins, featuring panoramic glass walls and heated glass ceilings – perfect for witnessing the magic of the Northern Lights in unparalleled comfort.

Participants of the Her Ice Experience will stay in private villas at the “**Levi Spirit Resort**”, nestled within a snow-cover forest. Combining modern elegance with a warm, inviting atmosphere, creating a personal retreat after exciting days. Open living spaces and crackling fireplaces provide a relaxed setting for inspiring conversations with women who share your fascination for Porsche.

And as an **accompanying person**, you will experience the Porsche Ice Experience from a unique perspective, with selected activities, memorable moments behind the wheel and unforgettable impressions of the Arctic wonderland, surrounded by nature and pure northern magic.

SNOW. ICE. BELOW ZERO.
INDIVIDUAL PROGRAMMES THE PORSCHE WAY.

Porsche always strives for the maximum. That's why the Porsche Ice Experience offers you the opportunity to wholly design your stay in Levi according to your personal wishes.

The only thing that cannot be changed is the adrenaline-charged drifts. Otherwise – depending on availability – the composition of your tailor-made programme is entirely up to you. Individual services include:

- Group size
- Number of driving days
- Additional activities
- Budget limit
- Vehicle models and instructors
- Restaurants
- Hotel room category

Your ideas determine what happens on and off the ice track. Yet in terms of the associated planning, you can relax and leave it in the hands of the Porsche Experience Team. To design an individual experience, please contact us by email at info.porscheexperience@avantgarde.de or by telephone on +49 711 652-000222 – always Monday to Friday between 09:00 am and 06:00 pm CET. All new vehicles offered by Porsche are type-approved according to WLTP. Official NEDC values derived from the WLTP values will no longer be available for new vehicles after 1 January 2023 and can therefore no longer be specified.

If the values are given as ranges, these do not relate to a single, individual car and do not constitute part of the offer. They are intended solely as a means of comparing different types of vehicle. Extra features and accessories (attachments, tyre formats, etc.) can change relevant vehicle parameters such as weight, rolling resistance and aerodynamics and, in addition to weather and traffic conditions as well as individual handling, can affect the fuel consumption, energy consumption, CO₂ emissions, range and performance values of a vehicle.

You can find more information on the difference between WLTP and NEDC at www.porsche.com/wltp. Further information on the official fuel consumption and the official specific CO₂ emissions of new cars can be found in the "Guide to the fuel consumption, CO₂ emissions and electricity consumption of new cars", which is available at all points of sale and from DAT (Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Str. 1, 73760 Ostfildern) or at www.dat.de/co2.
