PORSCHE
EXPERIENCE

Training Stages and Formats.

Passion meets performance.

Experience the fascination of the racetrack.

Your personalised high-speed adventure takes you straight to pole position. With the Porsche Track Experience, you can enjoy the fascination of the racetrack – from familiarising yourself with the Porsche DNA to your first real racing season. In the 4 stages DISCOVER, LEARN, BOOST and RACE, which build on each other, you will find one of our diverse training formats as an entry point that is ideally suited to your current driving skills. To your wishes. And to your goals.

Combine theory and practice to create your personal performance journey in a Porsche. Benefit from professional motorsport conditions and the support of certified instructors. Perfect your vehicle control in impressive Porsche models on the world's most legendary racetracks - for example the Circuit de Spa-Francorchamps (BEL), the Red Bull Ring (AUT), the Nürburgring Nordschleife (DEU) or the Autodromo Nazionale Monza (ITA). Attractive training areas such as the Testtrack Boxberg (DEU) and the two Porsche Experience Centers Hockenheimring (DEU) and Leipzig (DEU) also await you.

Ready for spectacular moments in the cockpit? Then get in. Fasten your seatbelt. Visor down. And off you go...

Immerse yourself in the exciting world of Porsche racing. Learn what it takes to become a racing driver. Made for motorsport enthusiasts who are ready to take their skills to the ultimate level.

Take on the challenges of the racetrack, set new standards and realise your full potential in Porsche GT road and racecars. Training formats for experienced sports car drivers.

Perfect the art of Porsche driving with precision and performance. Improve your skills for everyday driving and beyond. Learn everything you need to know to drive a Porsche sports car safely and confidently.

Experience the Porsche brand in all its facets and discover the latest sports car models with which you can make your first memories on the racetrack. Your personal introduction to the Porsche DNA.

Here to DISCOVER.

The spirit of Porsche up close and personal.

Welcome to DISCOVER, where curiosity sparks passion. Immerse yourself in the world of Porsche, absorbing the brand's full DNA with all its facets – including test drives with top-tier models. The DISCOVER training formats offer a sneak peek into the possibilities of Porsche: refine control with insights into dynamic systems, refined steering and effective braking. Anticipate an up-close encounter with your favourite Porsche model, surrounded by a vibrant motorsport atmosphere – DISCOVER not just the thrill but the artistry of Porsche.

Porsche Experience Center | Warm-up. Laying the foundation for heightened driving pleasure.

This training format is an eye-opening experience which often sparks a burning passion for years to come. Gain insights into how the Porsche driving dynamics control systems work and how to use these to your advantage. Work on your steering and viewing techniques while also practising effective braking techniques. Through the simulation of challenging situations, you will quickly learn how to respond appropriately to under- and oversteering – applying your newfound knowledge immediately.

0.5 day

Max. 24 participants

No previous
experience
necessary

- Seating position, steering and vision technique

Here to LEARN.

All it takes to drive a Porsche with confidence.

LEARN like never before. It's not just about driving; it's about unlocking the potential of your Porsche and mastering the art of dynamic driving. Here, anyone can learn the proper way to drive, transforming each moment behind the wheel into an exciting opportunity for growth and joy. Discover the key to maximising performance while ensuring safety on the tarmac. LEARN is the cornerstone for developing dynamic driving skills, turning you into a confident sports car driver. It's more than a skill; it's a connection with your Porsche, guiding you towards precision and a heightened sense of mastery. Your journey through LEARN enhances your driving expertise, perfecting your craft and making every drive an exhilarating experience.

LEARN

FIA-certified circuit. Porsche Experience Center Leipzig.

From the Suzuka S to the Suntory Corner and the Caracciola Carousel of the Nürburgring Nordschleife, some sections of the most famous racetracks in motorsport have been recreated on this FIA-certified racetrack. It is the perfect training ground – and not just for the Precision and Performance entry-level programmes.

2.8 km of pure driving fun. Porsche Experience Center Hockenheimring.

Handling, dynamic and slalom tracks, an off-road course, a skid plate and various circuits: With its two entry-level programmes, Precision and Performance, the Porsche Experience Center Hockenheimring offers the best conditions for intensive training, including on the Grand Prix track.

Porsche Experience Center | Precision.

Conquer the dynamics of a Porsche.

Our Precision training offers a unique chance to connect intimately with Porsche. Transition from an everyday driver to a confident sports car enthusiast, effortlessly navigating various situations in a Porsche. Delve into the true essence of driving dynamics under professional guidance. Whether you opt for an onsite rental or revel in the experience with your own Porsche model, an unforgettable day awaits.

1 or 2 days

Max. 30–40 participants (depending on the racetrack)

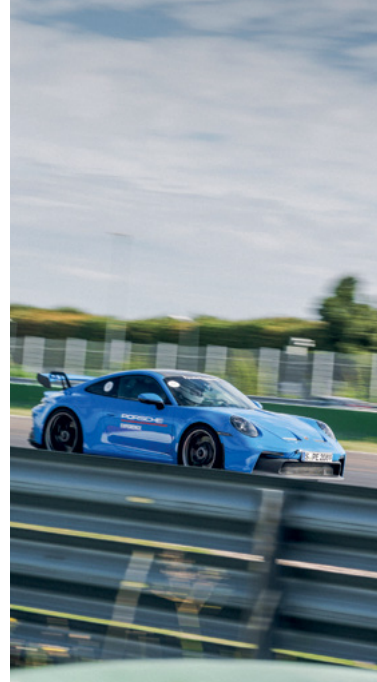

No previous
experience
necessary

- Steering and vision technique
- Introduction to the ideal line
- Load change situations
- Under- and oversteering
- Efficient use of all driving dynamics control systems

Porsche Experience Center | Performance.

The art of sporty driving and the perfect line.

After your Precision training, dive into Performance for even more intense driving moments. Build on your foundational knowledge with advanced tips and tricks and push your limits even further. In addition to the theoretical part, which focuses on driving dynamics and advanced exercises on driving safety, the first day is all about familiarisation and learning how to optimally drive through corners with each lap. After all, precise braking before corners and avoiding moving the steering wheel unnecessarily are simply a matter of practice.

2 days

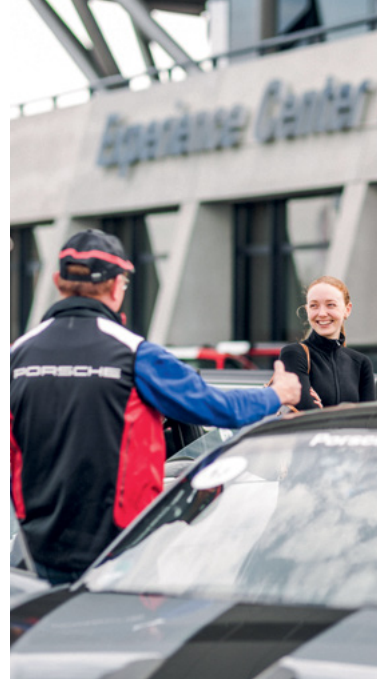

Max. 30–48 participants (depending on the racetrack)

Precision training or
similar experience
required

- Steering and vision technique
- Advanced understeering and oversteering
- Efficient use of all driving dynamics control systems
- Guided driving
- Free driving with driving style evaluation
- Minimisation of undesired load change reactions

Here to BOOST.

Enhance your skills on the racetrack.

Step into the next stage of exhilarating driving adventures with BOOST, the ultimate playground for advanced sports car enthusiasts. Here, you'll go beyond the basics, focusing on activities that truly elevate your performance. From identifying the ideal racing line to mastering vehicle dynamic control systems, BOOST is all about refining your skills for precision driving. Lap by lap, we guide you towards excellence, ensuring that even experienced drivers find new opportunities for improvement. With BOOST, every activity is a purposeful step towards mastering the art of vehicle control, bringing a new level of accuracy to your skill set as a driver.

g-Force GT. Perfect the art of drifting.

Ever dreamt of pulling off the perfect drift? Join g-Force GT, where the Porsche 911 GT3 RS is your key to achieving this incredible feat. Over two action-packed days at the Testtrack Boxberg, whether you're a novice or have prior experience, you'll dive into the intricate dance of the steering wheel, accelerator, and brake pedal. Understand how the rules of drifting apply in the real world, using targeted sideways moves for dynamic driving. Navigating load changes on tricky surfaces? With the guidance from certified instructors, you learn the techniques to handle these situations until you've mastered the perfect drift.

2 days

Max. 30 participants | 6 groups of 5 participants | 1 instructor per group

No previous
experience
necessary

- Improving vehicle control
- Utilisation of load change reactions
- Consciously and subconsciously maintaining an oversteering driving state with the help of various techniques (drift)
- Simulation of extreme driving conditions without stability programme
- Individual driving style assessment

€ 5,999.–

Master. The thrill of the racetrack starts in the cockpit.

Refinement leads to excellence: Whether in the latest Porsche models or your potent private vehicle, the racetrack beckons for conquest. Focus on hitting the ideal line, effectively utilising vehicle dynamics control and refining your driving style. Video analysis helps identify areas for improvement. Collaborate with fellow Porsche enthusiasts for an exhilarating racetrack adventure at Europe's top racetracks, like Circuit de Barcelona-Catalunya (ESP), Circuit de Spa-Francorchamps (BEL) or Nürburgring Nordschleife (DEU). Over two days, seasoned motorsport instructors adeptly guide you through swift circuit navigation. Real-time feedback ensures ongoing enjoyment with significant skill enhancement.

2 days

Max. 60 participants | 12 groups of 5 participants | 1 instructor per group

Performance
training or
similar experience
required

- Recognising and implementing the ideal line

Your personal Porsche instructor. Customised training. Steep learning curves.

With the help of a personal Porsche instructor, whose support is tailored to your abilities, needs and goals, you can optimise your driving skills in the most efficient way. Individual feedback and customised training allow you to work specifically on your shortcomings and build on your strengths. In addition to the expertise of a professional at your side, detailed video and data analyses help you develop a deeper understanding and identify potential areas for improvement – from posture to braking technique. The result: faster progress for a higher level at the wheel.

- Individualised support and guidance
- Dedicated instructor vehicles
- Individual coaching and video tracking
- Video and data analyses

Master Racecar. Face the ultimate racing challenge – the world of motorsport.

Experience the unparalleled potential of Porsche racecars up close and personal with Master Racecar. This format is your gateway to the world of racing, offering the thrill of maneuvering a Porsche 718 Cayman GT4 RS Clubsport at iconic tracks like Red Bull Ring (AUT). Guided by a dedicated Porsche instructor and your own mechanic, both with motorsport expertise, you'll practise essential skills such as smooth cornering and slick tyre use. Want more? Opt for the bookable extra of the Porsche 911 GT3 Cup.

Porsche Travel Experience. Excitement at Every Turn. Make it Yours.

Porsche Travel Experience has been combining exclusive travel experiences with impressive sports car performance for more than 25 years. Winding coastal roads, breathtaking mountain passes, fascinating wilderness. From vibrant cities to picturesque villages. Experience the most beautiful places in the world in Porsche models that are perfectly suited to the respective destination.

Awaiting you is a total package of high-performance vehicles, scenic beauty, cultural riches, first-class hotels, and typical regional cuisine. Set amidst a diverse range of additional activities that has been meticulously designed down to the smallest detail. Climb in – your Porsche is ready.

For the Porsche models shown or mentioned in the brochure. Fuel consumption and emissions.

Taycan Turbo GT (WLTP):
electrical consumption combined: 21.6 – 20.7 kWh/100 km; CO₂ emissions combined: 0 g/km; CO₂ class: A; status 03/2025

718 Cayman GT4 RS (WLTP):
fuel consumption combined: 13.0 l/100 km; CO₂ emissions combined: 295 g/km; CO₂ class: G; status 03/2025

911 GT3 (WLTP):
fuel consumption combined: 13.8 – 13.7 l/100 km; CO₂ emissions combined: 312 – 310 g/km; CO₂ class: G; status 03/2025

911 GT3 RS (WLTP):
fuel consumption combined: 13.2 l/100 km; CO₂ emissions combined: 299 g/km; CO₂ class: G; status 03/2025

911 Turbo S (WLTP):
fuel consumption combined: 12.3 – 12.0 l/100 km; CO₂ emissions combined: 278 – 271 g/km; CO₂ class: G; status 03/2025

911 Dakar (WLTP):
fuel consumption combined: 11.3 l/100 km; CO₂ emissions combined: 256 g/km; CO₂ class: G; status 03/2025

911 Carrera 4 GTS Cabriolet (WLTP):
fuel consumption combined: 11.0 – 10.7 l/100 km; CO₂ emissions combined: 250 – 244 g/km; CO₂ class: G; status 03/2025

If the values are given as ranges, these do not relate to a single, individual car and do not constitute part of the offer. They are intended solely as a means of comparing different types of vehicle. Extra features and accessories (attachments, tyre formats, etc.) can change relevant vehicle parameters such as weight, rolling resistance and aerodynamics and, in addition to weather and traffic conditions as well as individual handling, can affect the fuel consumption, energy consumption, CO₂ emissions, range and performance values of a vehicle.
