EXPERIENCE

Porsche Travel Experience 2025.

Discover the most beautiful places in the world in a sports car.

When exclusive travel meets impressive performance – explore the world with Porsche Travel Experience. From the most picturesque viewpoint. The driver's seat.

The 2025 season once again includes a selection of beautiful destinations. Captivating mountain landscapes with majestic Alpine passes in Germany, Austria or Switzerland. Mediterranean ease, as found in Tuscany, Croatia and Southern France. Or remarkable discoveries, from the enchantment of Ireland and the Namibian desert to Shangri-La in East Asia.

Experience dynamic driving pleasure in high-performance Porsche models, combined with picturesque landscapes, luxurious hotels, regional cuisine and a diverse range of programmes and activities. The complete package. For well being. For relaxation. For enjoyment.

The Alps.
**A real treat for ambitious
Porsche fans.**

The Alps are more than just mountains full of majestic peaks covered in snow – they are also the perfect terrain for mountain sports à la Porsche.

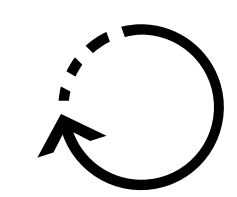

On legendary stages through Germany, Austria, Italy and Switzerland, you will master phenomenal mountain pass roads with serpentine. Breathe in the clear mountain air. And with it, countless impressions. The joy of driving. The breathtaking views. The quiet valleys and glistening lakes. In short: live your Alpine dream.

Austrian Alps.

Pure mountain lust. 7 days of Porsche Performance in the Alps.

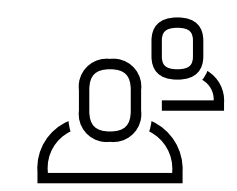

For fans of panoramic views, there is simply nothing more appealing than exploring the beauty of the mountains at the wheel of a Porsche. From Berchtesgaden to Weissensee and back again via Zell am See, in the midst of breathtaking Bavarian and Austrian scenery – enjoy winding roads of driving pleasure along endless combinations of curves, challenging mountain passes and Alpine stages that legends are made of. You will also have the opportunity to indulge in the delicacies of the regional cuisine.

All new vehicles offered by Porsche are type-approved according to WLTP. Official NEDC values derived from the WLTP values will no longer be available for new vehicles after 1 January 2023 and can therefore no longer be specified.

If the values are given as ranges, these do not relate to a single, individual car and do not constitute part of the offer. They are intended solely as a means of comparing different types of vehicle. Extra features and accessories (attachments, tyre formats, etc.) can change relevant vehicle parameters such as weight, rolling resistance and aerodynamics and, in addition to weather and traffic conditions and individual handling, can also affect the fuel consumption / energy consumption, the CO₂ emissions, the range and performance values of a car.

You can find more information on the difference between WLTP and NEDC at www.porsche.com/wltp. Further information on the official fuel consumption and the official specific CO₂ emissions of new cars can be found in the 'Guide to the fuel consumption, CO₂ emissions and energy consumption of new cars', which is available at all points of sale and from DAT (Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Str. 1, D-73760 Ostfildern) or at www.dat.de/co2.
