Consolidated Statements of Functional Expenses	6
Consolidated Statements of Cash Flows	8
Notes to Consolidated Financial Statements	9

Phone: 858-430-0300 Fax: 858-430-0301

#### INDEPENDENT AUDITORS' REPORT

The Board of Directors Petco Love and Subsidiary San Antonio, Texas

#### **Opinion**

We have audited the accompanying consolidated financial statements of Petco Love and Subsidiary (collectively, the Organization), which comprise the consolidated statements of financial position as of April 30, 2022 and May 1, 2021, and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of April 30, 2022 and May 1, 2021, and the changes in its net assets and its cash flows for the year then ended, in conformity with U.S. generally accepted accounting principles.

#### Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

# Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. generally accepted auditing standards will always detect a material misstatement when it exists.

### Auditors' Responsibilities for the Audit of the Consolidated Financial Statements, Continued

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with U.S. generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organizations internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organizations ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

April 30, 2022 and May 1, 2021

### 1. Organization

Petco Love (the Organization), formerly known as The Petco Foundation, a California non-profit public benefit corporation incorporated on February 16, 1999, is organized to promote, enhance and finance charitable, educational, literary, scientific and prevention of cruelty to animals activities and may also conduct and/or sponsor charitable or educational programs, events or activities which further its purpose.

The Organization renamed to Petco Love in early 2021 to more accurately reflect the future operations of the organization not only as a grantor funding other organizations, but as an operating nonprofit bringing national solutions to help save pet lives. Included in the consolidated financial statements are the net assets and operations of Pets Reunited, LLC (PR), a wholly owned limited liability company. PR was organized in May 2020 to hold the goodwill associated with the purchase described in Note 5. All significant interorganizational accounts and transactions have been eliminated.

The Organization is on a mission to end preventable euthanasia of shelter and community owned pets by empowering organizations through grant investments that make the most impact and by creating national solutions to address community needs impacting the welfare of animals. The Organization's grant investment activities seek to empower those organizations that are the most productive and effective in accomplishing their mission as determined through a decision model designed to evaluate and assess organizations alongside their peers. The organization supports animal welfare organizations working to end the euthanasia of shelter animals and helping to assure family pets get the care they need to stay in their homes, those organizations supporting service, therapy and working animals, and organizations and institutions helping to find a cure or support treatment of pet cancer. The Organization also launched Petco Love Lost in April 2020, a national lost and found database utilizing pet image recognition technology to reunite lost pets with their families.

The Organization is exempt from income tax under Section 501(c)(3) of the United States Internal Revenue Code (the Code), and similar provisions of the California Revenue and Taxation Code and the Texas Tax Code, and contributions to it are deductible within the limitations prescribed by the Code. The Organization has been classified as a publicly supported organization, which is not a private Organization under Section 509(a) of the Code.

The Organization's fiscal year generally ends on the Saturday closest to April 30, resulting in years of either 52 or 53 weeks. All references to a fiscal year refer to the fiscal year generally ending on the Saturday closest to April 30 of the following year. The fiscal years ended April 30, 2022 (fiscal year 2021) and May 1, 2021 (fiscal year 2020) each consisted of 52 weeks.

April 30, 2022 and May 1, 2021

### 2. Summary of Significant Accounting Policies

The consolidated financial statements of the Organization have been prepared on the accrual basis of accounting whereby revenues are recognized when earned and expenses are recognized when incurred. The significant accounting policies followed are discussed below.

#### Contribution Revenue

Contributions are recognized in the period received. Contributions received are considered to be available for use unless specifically restricted by the donor. Amounts received that are designated for a future period, or are restricted by the donor for specific purposes are reported as contributions with donor restrictions. These contributions also increase net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities and changes in net assets as net assets are released from restrictions.

#### Royalty Revenue

Revenue is recognized when earned and consists primarily of royalty income earned by the Organization from unrelated parties. These royalties include funds raised for the Organization by the sale of merchandise. These contracts may dictate that the royalties be used for a specific purpose. Such royalties are treated as net assets without donor restrictions but designated by contract.

Royalty revenues are recognized at a point in time as the quarterly sales of the unrelated party are reported to the Organization. The Organization's name, logo, and other distinguishing marks are licensed to a non-related merchandiser for use in the sale of products.

#### **Donated Goods, Services and Facilities**

Those donated goods that meet the requirements for recognition under U.S. generally accepted accounting principles are recorded as both revenue and expense in the accompanying consolidated statements of activities, at amounts determined by management to be reasonable for obtaining such goods.

### Advertising

The Organization expenses all advertising costs as incurred. The primary purpose of the Organization's advertising is to promote and encourage pet adoption, reunite lost pets, and highlight the Organization's focus on lifesaving. Advertising expense was \$555,178 and \$344,486, for the years ended April 30, 2022 and May 1, 2021, respectively.

April 30, 2022 and May 1, 2021

# 2. Summary of Significant Accounting Policies, Continued

#### Amortization of Intangibles

Intangible assets are amortized over their estimated useful lives.

#### Functional Allocation of Expenses

The consolidated statements of activities reports expenses by both natural and functional classification. Certain categories of expenses are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. Costs are directly applied to the related program and supporting activity category when identified and possible. General operating costs across nearly all natural categories are allocated on the basis of estimates of time and effort.

### Cash and Cash Equivalents

The Organization's cash consists of cash on deposit with banks. Cash equivalents represent money market funds or short-term investments with original maturities of three months or less from the date of purchase, except for those amounts that are held in the investment portfolio which are invested for long-term purposes.

### Receivable from Petco Animal Supplies Stores, Inc.

Petco Animal Supplies Stores, Inc. (Petco) retail locations serve as collection points for donations received from the general public for various Organization fundraising activities. These donations are then periodically transferred to the Organization. Management believes that all contributions receivable are fully collectible within one year; therefore, no allowance for doubtful accounts was recorded as of April 30, 2022 or May 1, 2021.

#### Other Receivables

Other receivables consist of event sponsorships, royalties, and contributions received via mobile and online fundraising solutions and are stated at the amount management expects to collect. Other receivables are reviewed for collectability and reserves for uncollectible accounts are recorded based on established policies. Management believes that all other receivables are fully collectible within one year and no allowance for doubtful accounts was necessary at April 30, 2022 or May 1, 2021.

During the year ended May 1, 2021, due to event cancellations as a result of the COVID-19 pandemic, other receivables totaling \$99,589 were deemed uncollectible and included in management and general expenditures on the consolidated statement of activities and changes in net assets and in other general and administrative expenditures on the statement of functional expenses.

April 30, 2022 and May 1, 2021

### 2. Summary of Significant Accounting Policies, Continued

#### *Investments*

The Organization accounts for investments pursuant to U.S. generally accepted accounting principles under which investments with readily determinable fair values are reported at their fair values in the consolidated statements of financial position. Donated investments are recorded at their fair value on the date of receipt. Net investment return or loss (including realized and unrealized gains and losses on investments, interest, dividends, and fees) is included in the consolidated statements of activities as a change in net assets.

#### Fair Value Measurements

U.S. generally accepted accounting principles provide guidance on how fair value should be determined when consolidated financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs......quoted prices in active markets for identical assets

Level 2 inputs......quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs......estimates using best information available when there is little or no market

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The Organization is required to measure certain financial instruments at fair value in accordance with U.S. generally accepted accounting principles. The technique used to measure the fair value of investments is described in Note 4.

#### Equity Method Investments

If the Organization is not required to consolidate its investment in another entity, the Organization uses the equity method of accounting when the Organization can exercise significant influence over the other entity and holds common stock and/or in-substance common stock of the other entity. Under the equity method, investments are carried at cost, plus or minus the Organization's equity in the increases and decreases in the investee's net assets after the date of acquisition and certain other adjustments. The Organization's share of the net income or loss of the investee is included as income (loss) from mission related investment on the Organization's consolidated statements of activities and changes in net assets. Dividends received from the investee reduce the carrying amount of the investment. The Organization reviews these investments annually

April 30, 2022 and May 1, 2021

### 2. Summary of Significant Accounting Policies, Continued

### Equity Method Investments, Continued

for impairment. Investments accounted for under this method include the Organization's mission related investment described in Note 6.

### Cost Method Investments

Investments in which the Organization does not have the ability to exercise significant influence and for which there is no readily determinable fair value are accounted for using the cost method. Under the cost method, the investment is measured initially at cost. Subsequently, dividends received that are distributed from earnings are recognized as income. The Organization evaluates each cost method investment for impairment on an annual basis and recognizes an impairment loss if a decline in value is determined to be other-than-temporary. The Organization has not identified any events or change in circumstances that may have an adverse effect on the fair value of a cost method investment, and therefore, the fair value of such cost method investment has not been estimated, as it is impracticable to do so. Investments accounted for under this method include the Organization's mission related investment described in Note 6.

# Software Development-in-progress

Internal use software development costs are capitalized as software development-inprogress until the development stage has been completed and successfully tested. Upon completion of testing, software development-in-progress costs are reclassified as internal use software and amortized over their estimated useful lives.

#### Deferred Revenue

Revenues received in advance of a special event are deferred. The revenues are recognized when the event occurs.

#### Income Taxes

The Organization is exempt from federal and state income tax liability, and therefore, no provision is made for current or deferred income taxes. The Organization uses the same accounting method for tax and financial reporting. U.S. generally accepted accounting principles provide accounting and disclosure guidance about positions taken by an entity in its tax returns that might be uncertain. If it is probable that an uncertain tax position will result in a material liability and the amount of the liability can be estimated, then the estimated liability is accrued. If the Organization were to incur any income tax liability in the future, interest on any income tax liability would be reported as interest expense, and penalties on any income tax would be reported as income taxes. Management has considered its tax positions and believes that all of the positions taken in its federal and state tax returns are considered more likely than not to be sustained upon examination. The Organization's returns are subject to examination by federal and state taxing authorities, generally for three years and four years, respectively, after they are filed.

April 30, 2022 and May 1, 2021

# 2. Summary of Significant Accounting Policies, Continued

### Estimates and Assumptions

The preparation of the consolidated financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates. Management periodically evaluates estimates used in the preparation of the consolidated financial statements for continued reasonableness. Appropriate adjustments, if any, to the estimates used are made prospectively based upon such periodic evaluation. It is reasonably possible that changes may occur in the near term that would affect management's estimates with respect to the fair value of donated goods and services, the fair value of investments, impairment of equity method investments and goodwill, allowance for doubtful accounts and accrued expenses.

### <u>Reclassification</u>

The 2020 financial statements have been reclassified, where appropriate, to conform to classifications used in the 2021 financial statements.

#### Subsequent Events

The Organization has evaluated subsequent events through September 19, 2022, the date the consolidated financial statements were available to be issued. There have been no material subsequent events which would require recognition in the consolidated financial statements or disclosure in the notes to the consolidated financial statements.

### 3. Information Regarding Liquidity and Availability

The following table reflects the Organization's financial assets as of April 30, 2022 and May 1, 2021, reduced by amounts that are not available to meet general expenditures within one year of the consolidated statements of financial position date. Amounts not available to meet general expenditures within one year of April 30, 2022 and May 1, 2021 include net assets with donor restrictions totaling \$372,080 and \$505,000, and designated by contract funds totaling \$32,887 and \$55,873, respectively. Board designated funds totaled \$220,946 at May 1, 2021. As part of its liquidity plan, excess cash is invested in interest bearing cash, certificates of deposit, equities, US Treasuries, and bond and equity funds which are not subject to any constraints limiting the Organization's ability to respond quickly to change in market conditions. The Organization's goal is generally to maintain financial assets to meet 90 days of operating expenditures.

April 30, 2022 and May 1, 2021

# 3. Information Regarding Liquidity and Availability, Continued

		April 30, 2022	May 1, 2021
Cash and cash equivalents	\$	10,838,927	11,832,313
Receivable from Petco		3,554,403	3,945,170

Designated by contract		(32,887)	(55,873)
Board-designated			(220,946)
Total assets available for use within one year	\$	28,443,577	26,496,959

# 4. Investments, at Fair Value

U.S. generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value of the following assets is based on Level 1 measurements. Level 1 fair value measurements are quoted prices in active markets for identical assets that the reporting entity has the ability to access at the measurement date.

Investments, at fair value, consist of the following at:

	_ <i></i>	April 30, 2022	May 1, 2021
Equities:			
Consumer goods	\$	3,043,021	2,238,462
Financial		1,511,877	1,277,024
Technology and communications		1,418,752	980,291
Healthcare		716,182	712,567
Services		300,332	377,063
Industrial goods		237,393	209,098
Basic materials	_	72,929	
Total equities		7,300,486	5,794,505

April 30, 2022 and May 1, 2021

#### 4. Investments, at Fair Value, Continued

Certificates of deposit	2,042,396	2,034,491
Corporate bonds	2,311,400	-
Equity funds	1,727,896	1,420,982
US Treasuries	793,066	1,325,381
Bond funds	228,014	300,493
Interest bearing cash	39,118	115,821
Total investments, at fair value	\$ <u>14,442,376</u>	10,991,673

#### 5. Convertible Note Receivable

On February 10, 2021, the Organization entered into a convertible note receivable agreement (the Note) with an unrelated entity (the Entity). The Note was recorded at the principal face amount of \$227,000 plus accrued interest of \$2,519 at May 1, 2021. The Note bore interest at 5% per annum. During the year ended April 30, 2022, the Note was converted into the cost basis investment described in Note 6.

#### 6. Mission Related Investments

#### Equity Method Investment

On July 3, 2017, the Organization entered into an agreement to make a mission related investment in Finding Rover, Inc. (FR), a privately held corporation, representing a 24% ownership interest. The Organization invested in FR because of its goal to create a national lost and found database which utilizes pet image recognition technology to help reunite lost pets with their owners. The mission related investment (MRI) is accounted for under the equity method.

On June 1, 2020, the Organization entered into an agreement to purchase substantially all of the assets of FR for \$3,500,000, net of \$240,000 in loans repaid as a part of the agreement. The purchase resulted in a return of capital of \$1,247,026 related to the Organization's original investment. The gross purchase price of \$3,740,000 was allocated to goodwill and intangible asset during the year ended May 1, 2021.

April 30, 2022 and May 1, 2021

### 6. Mission Related Investments, Continued

#### Cost Method Investment

The Organization's cost method investment in the Entity consists of the following details at April 30, 2022:

		Accounting		
 Investment Type	Owner Type	Method	Ownership	Cost
C Corporation	Shareholder	Cost	5.21%	\$ 238,474

### 7. Intangible Assets

A summary of intangible assets at April 30, 2022 and May 1, 2021, is as follows:

	<u>April 30, 2022</u>	May 1, 2021
Covenant not to compete (5 year life) Less accumulated amortization	100,000 (38,333)	100,000 (18,333)
	\$ 61,667	81,667

#### 8. Goodwill

Changes in the net carrying amount of goodwill during the year ended April 30, 2022 and May 1, 2021, are as follows:

	<u>A</u>	<u>april 30, 2022</u>	May 1, 2021
Balance, beginning of year Goodwill acquired during the year Impairment	\$	3,640,000	3,640,000
Balance, end of year	\$	3,640,000	3,640,000

In accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 350, the Organization does not amortize goodwill. FASB ASC 350 requires the Company to test for impairment at least annually, or more frequently if evidence of possible impairment arises. The Organization performed its annual impairment testing as of April 30, 2022 and May 1, 2021 and determined that no events or circumstances indicated that intangible assets might be

April 30, 2022 and May 1, 2021

### 8. Goodwill, Continued

impaired. As a result, no impairment charge was recorded for the year ended April 30, 2022 or May 1, 2021.

### 9. Related Party Transactions

Included in contributions from individuals and corporations are Petco contributions of \$398,202 and \$169,066 for the years ended April 30, 2022 and May 1, 2021, respectively.

Receivable from Petco of \$3,554,403 and \$3,945,170 at April 30, 2022 and May 1, 2021, respectively, represents cash contributions received from Petco customers and Petco employees not yet remitted in cash to the Organization as of the fiscal year end date.

The Organization reimburses Petco under a resource and expense allocation agreement (the Agreement) for expenses incurred for administrative services provided. In addition, the Organization reimburses Petco for the full cost of all employees who perform duties solely for the Organization with the exception of the Executive Director. For the Executive Director, the Organization reimburses 75% of the cost of base salary and benefits expense and 100% of bonuses. The cost for all reimbursed expenses for the years ended April 30, 2022 and May 1, 2021, was \$6,012,657 and \$3,600,785, respectively.

Due to Petco of \$488,701 and \$447,243 at April 30, 2022 and May 1, 2021, respectively, represents reimbursable expenses covered under the Agreement in addition to other operating expenses.

During the years ended April 30, 2022 and May 1, 2021 three and five members, respectively, of the Organization's Board of Directors also serve on boards of organizations which are recipients of program grants from the Organization. Grants paid to these organizations totaled \$172,500 and \$540,000 during the years ended April 30, 2022 and May 1, 2021, respectively. In accordance with the Organization's conflict of interest policy, such members abstain from votes pertaining to such organization grants.

#### 10. Joint Costs

The Organization conducts activities that include fundraising appeals as well as program and management and general components. These activities include travel, marketing, grant management services and other constituent relationship activities for both fiscal years 2021 and 2020. The costs of conducting these joint activities which meet the purpose, audience, and content of FASB ASC 958-720 were \$4,950,180 and \$3,196,268 for the years ended

April 30, 2022 and May 1, 2021

#### 10. Joint Costs, Continued

April 30, 2022 and May 1, 2021, respectively. They were comprised of the following for the years ended:

		April 30, 2022	May 1, 2021
Program	\$	3,196,852	1,950,432
Fundraising		1,038,070	765,813
Management and general	_	715,258	480,023
Total	\$	4,950,180	3,196,268

### 11. Commitments and Contingencies

The Organization funds effective and productive organizations and recognizes that for these organizations to be strategic in the pursuit of their mission, reliable funding is essential. The Organization's funding strategy includes installment grant investments to organizations making a significant lifesaving impact for the animals to provide them with the security that enables innovation and sustainability. The installment grant investments are contingent upon the organizations fulfilling certain contractual obligations as described in the individual grant agreements.

The future commitments under all grant agreements are as follows at April 30, 2022:

2022 2023	\$	1,175,000 5,170,000
	\$ <sub>=</sub>	6,345,000

As of May 1, 2021, future commitments under all grants agreements totaled \$5,610,000.

April 30, 2022 and May 1, 2021

### 12. Net Assets

Net assets with donor restrictions were as follows for the years ended April 30, 2022 and May 1, 2021:

_A	pril 30, 2022	May 1, 2021
\$	200,000	-
	130,000	410,000
	42,080	-
		95,000
\$	372,080	505,000
		130,000 42,080

Net assets were released from donor restrictions during the year ended April 30, 2022 and May 1, 2021, by incurring expenditures satisfying the restricted purposes or by occurrence of other events specified by donors as follows:

	<u>A</u>	pril 30, 2022	May 1, 2021
Global Funding	\$	900,000	-
Vaccine Initiative		503,050	-
Save Pets Fund		280,000	-
Innovation Showdown		95,000	305,000
Pet Cancer		75,129	18,400
Disaster		14,153	36,273
Total	\$	1,867,332	359,673

Net assets without donor restrictions were as follows for the years ended April 30, 2022 and May 1, 2021:

	<u>April 30, 2022</u>	May 1, 2021
Undesignated	\$ 31,150,256	29,485,970
Designated by contract Board-designated	32,887	55,873 220,946
Total	\$31,183,143_	29,762,789

April 30, 2022 and May 1, 2021

#### 13. Concentration of Risk

#### **Contributions**

The majority of the contributions received by the Organization are collected at Petco retail locations.

#### Credit Risk

At April 30, 2022, the Organization had approximately \$10,839,000 of cash and cash equivalents within financial institutions, a portion of which may be in excess of the federally insured limit. The Organization has not experienced any such losses and management believes it is not exposed to any significant credit risk on these cash deposits.

### Investment Risk

The Organization invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the Organization's account balances and the amounts reported in the consolidated statements of net assets available for benefits.

The COVID-19 pandemic has caused business disruption through mandated and voluntary closings of multiple businesses and is disrupting supply chains and affecting production and sales across a range of industries. While the disruption is currently expected to be temporary, the extent of the impact of COVID-19 on the Organization's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and the impact on members, donors, and vendors. At this point, the extent to which COVID-19 may further impact the Organization's financial condition or results of operations is uncertain.
