

DIRECTIONAL LEDS

ED3700 Series SAE Class I Surface Mount

The versatile surface mount lights feature high-intensity LEDs providing exceptional warning synchronization capability and SAE Class I operation. Compact design, ability to fit confined mounting locations, zero maintenance and a 5-year warranty are just some of the many benefits. Available in single, split-, or dual-color variation and a double stack option. A range of accessory brackets are also available to further maximize mounting options.
