

CD4081 VIZ™ SERIES SURFACE MOUNT

Code 3's CD4081 Viz™ Series features groundbreaking HINVI™ technology that illuminates high visibility gear such as vests, cones and signage, improving scene visibility in high traffic areas, low light conditions and fog. The CD4081 delivers exterior and perimeter warning for ambulance, fire and police emergency vehicles, engineered for maximum light output with an SAE Class I rating. Matrix® compatibility syncs flash patterns across the fleet to enhance first responder safety and calm the scene. It features 55 dual-color flash patterns, available in amber, blue, red and Viz LED color combinations with waterproof black housing.
