GIGA THIN™ SERIES

SURFACE MOUNT

CD3804RBAW

The Giga Thin™ Series combines four Mega Thins™ into one and delivers compact traffic-advisor capability, allowing up to three units to operate together for clear left, center or right directional warning. This ultra-low-profile exterior LED features a 10 inch quad-directional design that mounts easily in tight spaces on public-safety vehicles. It offers 22 flash patterns and syncs with up to six units for coordinated warning. A durable polycarbonate lens and surface-mount design ensure reliable performance.
