## Adjustable Mounting Kits

Precisely adjust the lightbar here!

### DESIGN FEATURES

- Universal, low-rise fit that allows a lightbar to be adjusted to perfectly match the contours of today's emergency vehicles
- The adjustable mounting feet are pursuit speed tested. Extra brackets are not required to meet pursuit speed rating.
- A bracket and system allows the lightbar to be adjusted for height and front/back angle to ensure the lightbar is perfectly level.
- The new adjustable mounting feet are equipped with a simple, one mounting bolt system per side to make mounting and installation a breeze.
- New adjustable mounting feet are zinc plated and black powder coated with a hard polypropylene cover for extreme durability in even the harshest environments.

- The adjustable mounting feet feature a slim design that complements the sleek aesthetic of today's vehicles.
- Vertical adjustment, up or down, is 5/8".

### SPECIFICATIONS

- 7.84" L x 2.26" H x 12.25" D (199 x 57 x 311 mm)
- Weight 2.9 lbs each
- 1-year warranty

## Pursuit™ Lightbar Adjustable Mounting

The adjustable mounting kit from Code 3 provides a universal fit that allows the Pursuit lightbar to be adjusted to perfectly match the contours of today's police vehicles. Mounting kits are available in standard or low-profile versions. All new Pursuit lightbars shipped will have an option of either a standard or a low-profile mounting kit, unless they have lighted mounting feet.

### DESIGN FEATURES

- A bracket system allows the lightbar to be adjusted for height and front/back angle to ensure the lightbar is perfectly level
- Vertical adjustment for the standard mounting kit is up to 0.625 in (16 mm) up or down and the low-profile can be adjusted 0.300 in (8 mm) up or down.
- A simple, one mounting bolt system per side makes mounting and installation a breeze
- Zinc plated and black powder coated with a hard polypropylene cover for extreme durability in even the harshest environments
- Pursuit speed tested – no extra brackets are required to meet pursuit speed rating
- Available in standard or low-profile design which compliments the sleek aesthetic of today's police vehicles
