lighthead only

FOCUS360™ SERIES

Ten 5-Watt LEDs

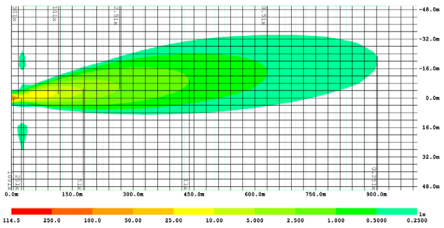

The EW3010/3011-WK offers full 360° continuous rotation, a 135-degree tilt range and features an optional hardwired in-dash joystick controller. The spotlight also has a home setting that automatically returns the light to its original position upon powering off the device. ASA resin housing makes the EW3010/3011-WK corrosion, UV and impact resistant and also feature patent pending reflective optics.

Models

PART NO.	HOUSING COLOR	TYPE	LUMENS (RAW)	AMPS
EW3010	■	Spot	6,260	2.7
EW3011-WK	□	Spot	6,260	4.1
EW3011-WK-DEL2	□	Spot, Delphi 2-Pin Connector	6,260	4.1

ISOLUX

Design Features

- 12-24 VDC
- EW3010: 4,452 ft | 1,357 m beam distance | 433.92 MHz Radio Frequency
- EW3011-WK: 4,531 ft | 1,381 m beam distance | 2.4G Bluetooth
- 360° continuous rotation, 135˚ tilt range
- Ten 5-watt LEDs
- Permanent mount (seperate magnet mount kit available)
- "Return to Home" setting will automatically return light to original position
- Aluminum heatsink lighthead
- Polycarbonate housing
