## 6465 SERIES

### Industrial Application

ECCO's maintenance free 6465 Series LED Beacon features a Pulse8 flash pattern, producing a warning signal that is ideal for industrial-type applications. The long, maintenance-free service life of LED technology, backed by a 5-year warranty, make this a perfect replacement solution for existing strobe beacons. This cost-effective light features a wide 12-80V operating range that's ideal for material handling equipment.

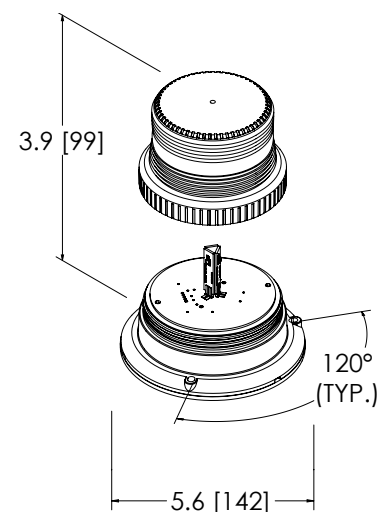

### Models
