- How to participate;
- Possible Communication costs for participation. These Communication costs will never exceed 0,45 euro per participation.;

ID&T has the right to edit or cancel the Promotional game of chance or contest (for example due to force majeure) without the obligation to compensate you. Excluded from participation are Minors, unnatural persons (i.e., business entities or non-governmental organizations), ID&T employees and others that are (in)directly involved with the contest or the Promotional game of chance's organization.

ID&T may, in its sole discretion, disqualify any or all entries from, and prohibit further participation in this competition by, any person who tampers with or benefits from any tampering with the entry process. For example, when a participant enters the Promotional game of chance or contest more than once, even though the terms and conditions state that doing so is prohibited.

4. DRAW, NOTIFICATION OF WINNERS AND PRIZES

A winner will be chosen from a random draw of entries received in accordance with these terms and conditions. The prize will also be randomly rewarded to the winner. The outcome of it is final.

After the results have been revealed, the winner(s) will be notified as soon as possible. The winner acknowledges and agrees to the possible use of his/her name on the contest page, the ID&T social media channels, ID&T website and that he/she must cooperate with any possible promotional activities linked to the Promotional game of chance or contest. For example, the recording of the winner receiving the prize or how he/she makes use of it.

No prize is transferable or exchangeable, nor can it be redeemed for cash. Non-cash prizes are made available in the state that they are in at that certain moment. ID&T is not responsible for any possible (hidden) defects, damage by transport or any other damage that is related to winning or the use of the prize. Unless stated otherwise, all gambling taxes or other taxes (such as VAT) are for the account of ID&T. If the prize contains products related to ID&T that the winner already purchased at an earlier stage (for example tickets for an event), the price paid for these products will be refunded to the winner free of charge.
