Hourly Advisory Guidance

Focused guidance on specific Segment topics or troubleshooting questions, post implementation

Overview

Get focused guidance on specific Segment topics—from source and destination nuances, to Personas identity resolution troubleshooting and other Segment Configuration questions. We’ll tailor our guidance to address your specific needs.

Outcomes

- **On-Hand Expertise**
  To advise and guide on complex workspace questions

- **Detailed Guidance**
  On configuration questions and nuances

- **Best Practices**
  For optimizing your Segment workspace

Best if you...

- Want to get specific questions answered following a Segment Jumpstart or Audit
- Need to go deeper on a topic that a Segment Jumpstart covers briefly
- Need guidance implementing advisory recommendations
- Require assistance on guidance questions which exceed the scope of Segment’s support team

Types of Guidance

- **Source/Destination Guidance**
  Goal: Advise on best practices for configuration and QA of Segment sources and destinations

- **Protocols Configuration Guidance**
  Goal: Advise on best practices for configuration and leverage of Protocols

- **Personas Configuration Guidance**
  Goal: Evaluate and advise on configuration and leverage of Personas

- **Identity Resolution Guidance**
  Goal: Evaluate and advise on identity resolution strategies and troubleshooting

- **Privacy and Workspace Access Configuration Guidance**
  Goal: Evaluate and advise on Privacy Portal and Access Controls configuration

Pricing: Ask your Segment salesperson
Timing: Typically 2-3 weeks
Led by: A Segment Solutions Architect
Required from you
An Implementation Owner to drive guidance topics
A Technical Owner to assign relevant engineering resources when needed to implement a guidance recommendation
