

Manage All Your Payments More Easily and Cost-Effectively

Corpay Payment Automation enables comprehensive, automated B2B payments for dealerships of all sizes. Our full-service, DMS-agnostic, automated payment solutions empower your dealership to save time and costs by consolidating all your vendor payments into a single workflow.

Easily execute all payments in a single workflow

Make virtual card, check, and ACH in a single payment run.

Reduce AP costs

Push as many transactions to virtual card or ACH means even fewer checks and less printing and postage.

Simplify the reconciliation process

Reduce the time needed to reconcile your payments with our automated reporting.

Maintain control and mitigate payment risk and liability

Customizable approval workflows allow you to control what gets paid and when, while Corpay Payment Automation assumes responsibility for payment fraud risk for qualified payments.

Spend less time managing payments

Our vendor network includes 850,000 vendors that are already enrolled to receive payments via Corpay Payment Automation.

Implementation and program management support

A dedicated implementation team, technical resources, and ongoing, hands-on training to help lead your business' Corpay tool integration.
