Integrate Your Corpay Payments Automation Solution With Karmak Fusion for Seamless, Intelligent Processing

Corpay and Karmak have joined forces to deliver an advanced, automated vendor payments solution for Karmak Fusion customers. This collaborative integration revolutionizes the vendor payment process for dealerships, simplifying transactions in a single unified workflow. With improved visibility and control, heightened vendor enrollment, and more, this intelligent system drives remarkable efficiency in your accounts payable operations.

World-Class Features for Your AP

Shorten payment processes with real-time spending insights and automated workflows

Automate and easily manage data input to reduce errors

Perform all AP and purchasing tasks in one centralized, cloud-based platform

About Corpay

Corpay is a global leader in business payments, helping companies of all sizes better track, manage, and pay their expenses.
