

Viewpoint ePayments

Simplify Processes
With a Fully Integrated
Viewpoint Solution

Streamline Your AP With Viewpoint ePayments

Viewpoint ePayments, powered by Corpay, simplifies vendor payments for construction firms utilizing Viewpoint Vista, Viewpoint Spectrum, or Viewpoint ProContractor. This integrated solution streamlines payment workflows down to a single step, effortlessly automating accounts payable (AP) processes and boosting efficiency.

A Seamless, Efficient Experience

Viewpoint ePayments consolidates payment processes, saving time, resources, and stress. Additional benefits include:

- **Single-Step Payments:** Simplify complex payment workflows
- **Cost Savings:** Maximize efficiency and minimize expenses
- **Extra Revenue:** Unlock new revenue streams through monthly rebates
- **Vendor Enablement:** Leverage continuous enrollment and electronic payment acceptance

Uncover Your ROI Potential
