

Corpay vs. Your Card Issuer

Discover a Better Card Program

When it comes to your company's spend, card limitations shouldn't hold you back. Our world-class commercial card solutions surpass the capabilities of other programs, which is why we're the #1 B2B commercial Mastercard® issuer in North America.

Does Your Provider Measure Up?

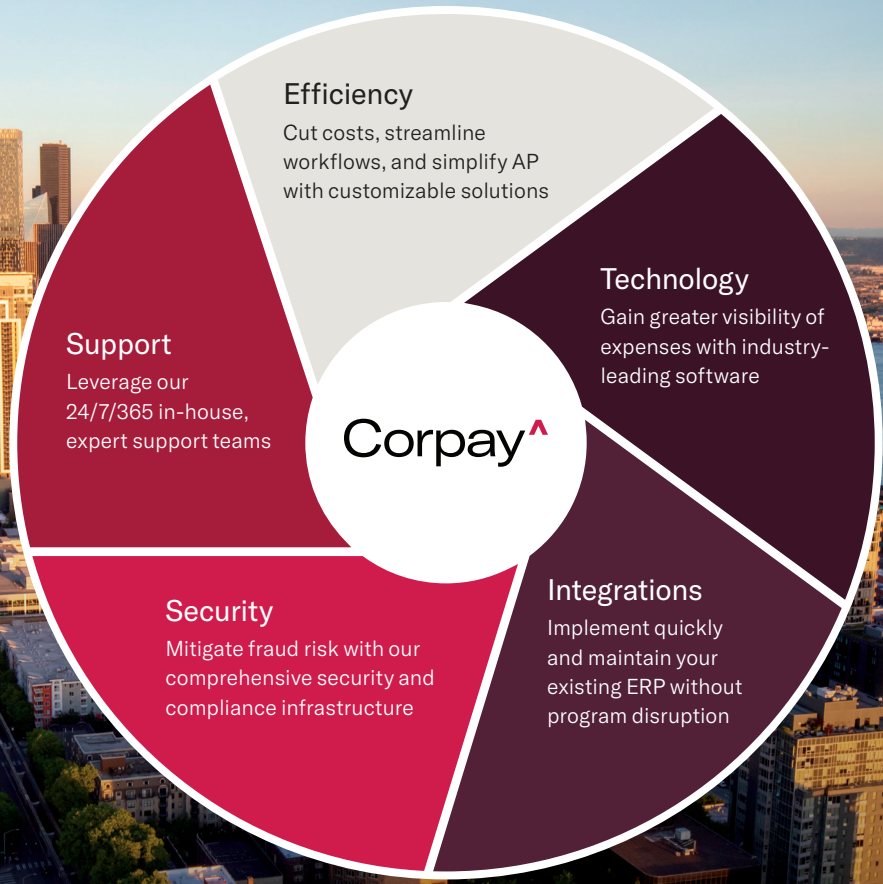

Your Card Issuer

VS.

Corpay

Outdated points system with too-low credit lines and high fees	✔ Customized, monthly cash rebates, flexible funding/repayment cycles, and no annual card fees
Builds vendors into their system one at a time, making it extremely challenging to maximize acceptance	✔ Robust, ready-to-go 3.8M vendor network with 600K accepting card
Outsources invoice automation to disparate third parties	✔ Full invoice automation and expense management capabilities for end-to-end processing
Limited cross-border capabilities	✔ Reliable international payments to 200+ countries in 145 currencies
Outsources AP automation needs with average self-service portal	✔ Intelligent AP portal with automated reporting and reconciliation
Must find qualified partners to integrate smoothly	✔ ERP-agnostic integrations
Uses your personal credit history, making your score fluctuate 50-100 points each month depending on card balance	✔ Doesn't use your personal credit history
Long hold times with a different representative on the other line every time	✔ 24/7/365 in-house customer service
Charges merchants a lot for acceptance, which causes higher vendor attrition	✔ Mastercard accepted at 37M worldwide locations
