

# Steps to Obtaining DAYBUE™ (trofinetide)

What to know when your loved one is prescribed DAYBUE

This roadmap is designed to help guide you through each step of the DAYBUE treatment journey. Along with your loved one's healthcare provider (HCP), Acadia Connect® is here to provide educational support and resources whenever you need them.

Call Acadia Connect at 1-844-737-2223, Monday to Friday, 8AM to 8PM ET, to learn more about our individualized support program designed to help meet the needs of your loved one taking DAYBUE
