

Community Benefit Fund APPLICATION FORM

*This document is to be completed in line with the instructions provided in the
Wambo Wind Farm Community Benefit Fund Application Guide.*

1. APPLICANT DETAILS

Registered name (organisation):

Registered address:

Postal address:

Authorised Contact:

Position:

Telephone:

Mobile:

Email:

If your organisation will not directly invoice for this project, please provide details of the invoicing organisation below.

Registered name:

Address:

Contact person:

2. ORGANISATION OVERVIEW

Please describe your organisation and provide examples of other projects it has delivered.

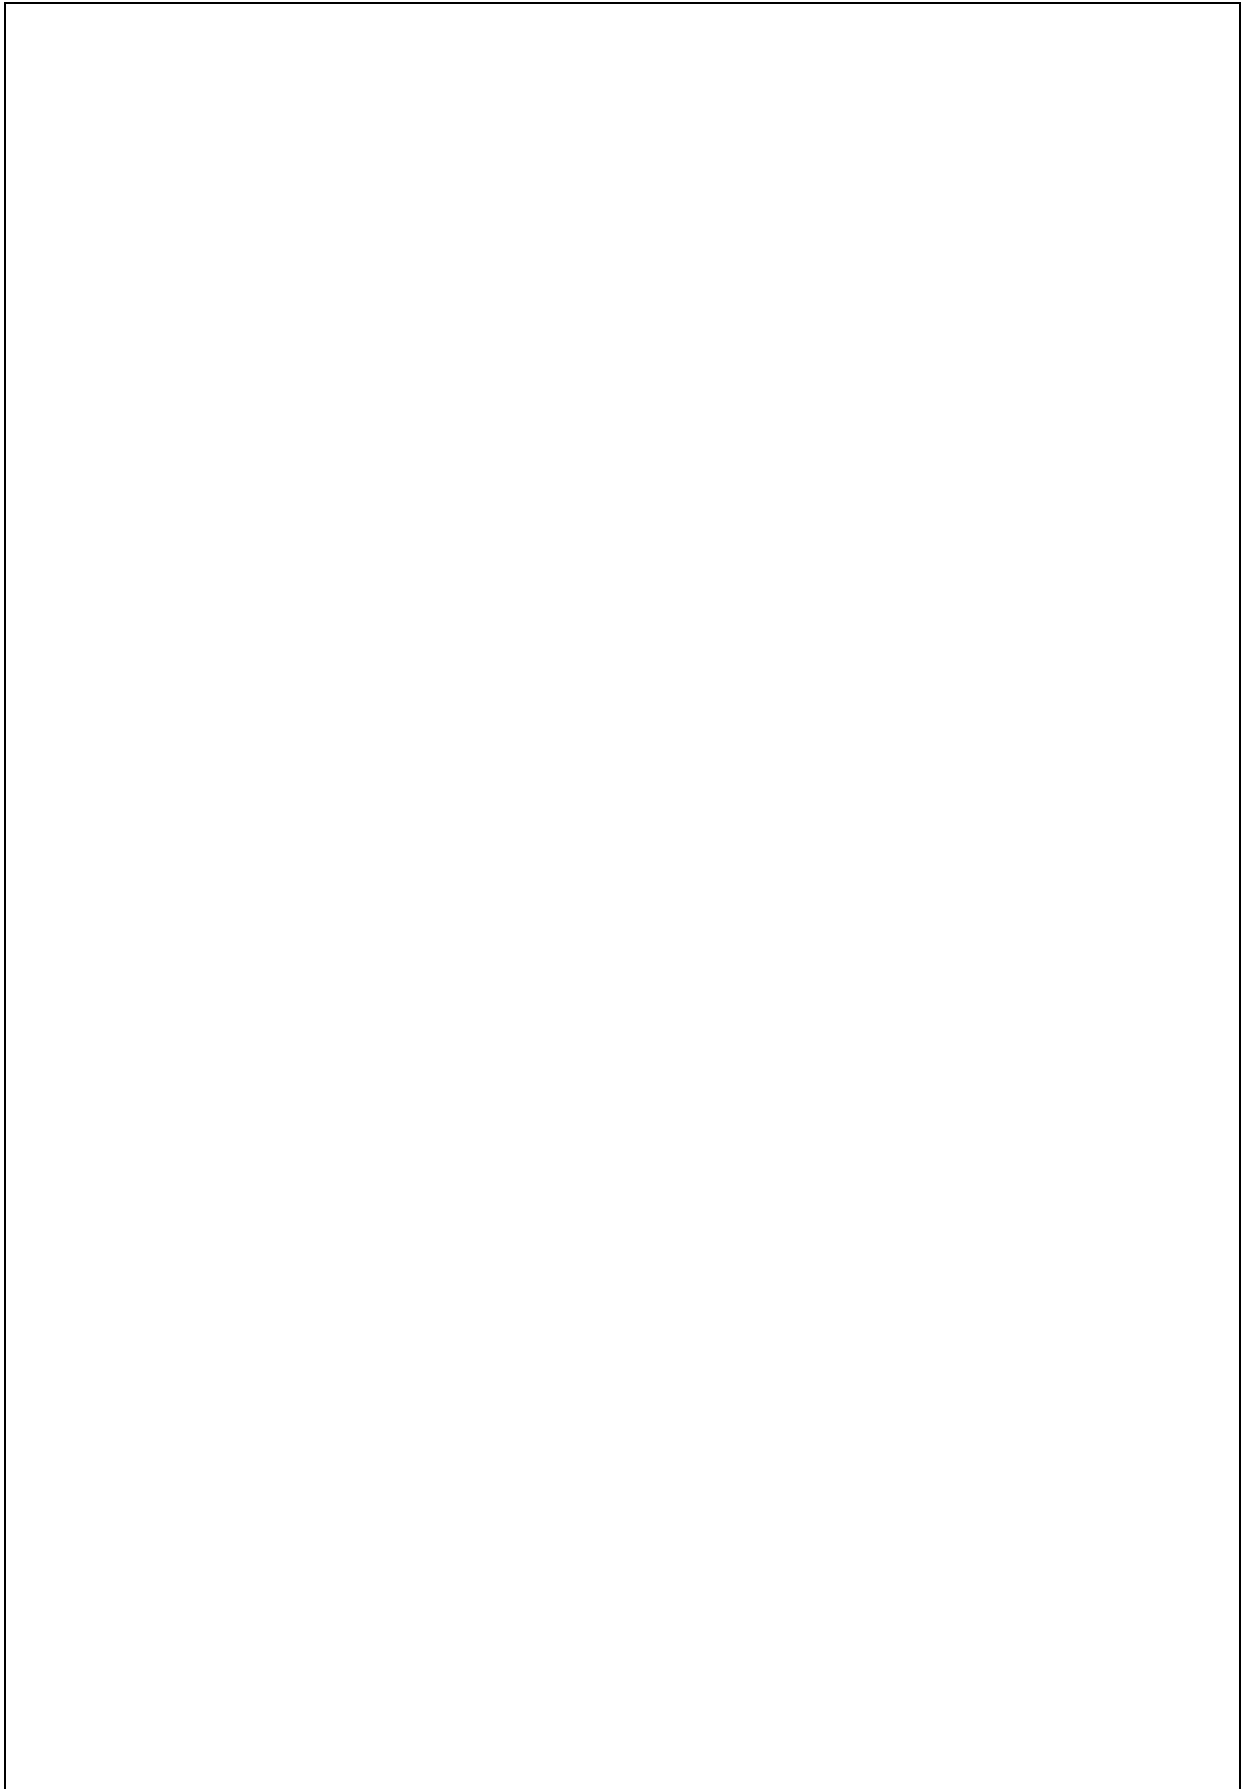

3. PROJECT OVERVIEW

a) Project title:

b) Project description – please provide an overview of what your project will achieve & how it aligns with the **eligibility criteria outlined in the application guide**. This description must include how the funds will benefit the communities that surround the Wambo Wind Farm area and timeframes for the project. It should also confirm necessary approvals, insurances and risk management strategies necessary to successfully and safely deliver the project. Use more space if you require.

Please indicate the objective your project supports (more than one may apply):

- ☐ Sustainable communities
- ☐ Connected communities
- ☐ Healthy communities
- ☐ Resilient communities

4. Image

Please attach two or more images of your project or team that can be used to promote the initiative in media if funding is successful.

PROJECT FUNDING & ATTACHMENTS

a) The total cost of the project:

\$ _____

b) The amount requested from the Wambo Wind Farm Community Benefit Fund

\$ _____

c) Other funding applied for/secured

Funding Body	Amount Sought	Amount Received	Funding Conditions (if any)

Please ensure you have attached the following documents:

- ☐ Project budget
- ☐ Quotes
- ☐ Building approvals (if applicable)

An example budget can be accessed [here](#) or by request from info@wambowindfarm.com.au.

5. COMMUNITY CONNECTIONS

Please list other organisations involved in the project, or any other community organisations that will benefit from your proposed project and describe their contribution.

For example: If your project proposes building upgrades, do other community organisations utilise the facilities?

6. DECLARATION

I declare that the information in and with this application form is correct, and that I am duly authorised to make this application and this declaration.
