RECLINER WITH STOOL

Design Kurt Hvitj 

Rosario recliner is an armchair with a classic but modern design. Slightly retro-spirited Rosario has an adjustment mechanism that allows you to adjust the rocking of the chair and lock it.

The height-adjustable Rosario foot stool is available to complete the seating comfort.

Materials and finishing

Both the armchair and the stool are upholstered with selected ISKU standard fabric or leather. The base is either 4- or 5-star cross base. The 4-star base is fully chromed and the 5-star base is black metal with chromed details. The foot stool is available only with 5-star base and it is height adjustable.
