

MyFlow®

Open Office Meeting

SOFA | SPACE WITHIN THE SPACE

Design Vertti Kivi

The high back and sides of the MyFlow Open Office Meeting sofas provide protection and privacy in working environments, schools, public lobbies and waiting areas. MyFlow Open Office Meeting sofas are available in three different widths with selected accessories.

At their best the sofas are when combined to a space-within-the-space spot by connecting two sofas with designed-for-purpose connecting screen.

Materials and finishing

Legs	Powder coated steel (black, white, grey, silver) or chrome, with black felt pads.
Upholstery	Fabric as specified on the datasheet.
Accessories	Connecting panels, sockets, armrests, table, screen mountings, whiteboard, hook for clothes.

Dimensions

	Sofas			Connecting panels
	1-seater	2-seater	3-seater

SOFA | SPACE WITHIN THE SPACE

Datasheet

Upholstery fabrics

Fighter, Cura, Steelcut Trio, Blazer, Blazer light, Synergy, Gentle 2.

Armrest

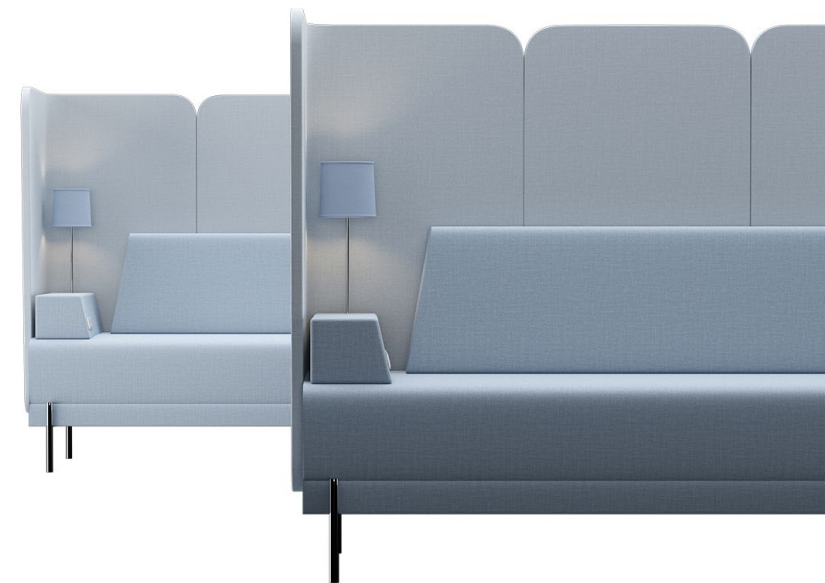

Armrests are available as an accessory. A wooden armrest cover available as an accessory as black, white or ash.

Sockets

Electricity will be available as an accessory 2021 for the armrests. Black or white socket (incl. 1 x schuko & 1 x USB).

Other accessories

A table, screen mountings, a whiteboard and a clothes hook will be available 2021.

Back and side panels

The sofa is always equipped with the back and side panels. The corner can be selected either straight or rounded (R90) as desired. The total height of the sofa is 1500 mm. The back and side panels can be selected with one or two upholstery colors.

Connecting panels

By adding complementary connecting panels between two sofas, MyFlow Open Office Meeting creates a peaceful meeting space in any open environment.

The connecting panels are of same heights as the sofa's back and side panels. The width can be chosen from the three alternatives of 630 / 700 / 800 mm.

MyFlow®

MyFlow OOM Table

TABLE

Design Vertti Kivi

MyFlow OOM Table was originally designed for the MyFlow Open Office Meeting solution. However, when used and combined with other furniture, the interesting and asymmetrical shape of the table opens up new kinds of creative possibilities for the design of the spaces.

From the wide variety of table top and height options you can find a perfect match to complete the interior design with the functionality desired.

Materials and finishing

Table top	ISKU HPL laminate (white, black, light grey, dark grey, oak, birch), ISKU standard technical veneer (birch LN). Available with straight and beveled lower edge.
Leg	Powder-coated steel (black, white)

Dimensions

Height	400, 560, 650, 730, 900 or 1100 mm
