

Duo

CONFERENCE & LOUNGE CHAIR

Design Antti Olin

The Duo conference chair is light, durable and ecological. Due to the heat-formed Grada plywood, the sitting comfort is excellent. The material flexes when sat on, and a thin cushion is sufficient. With the beautiful, technical birch veneer surfaces you can create functional groups and the fabric and leather options offer several attractive combinations. Conference chair available with low and tall backs, with or without armrest and with various upholstery options and fabrics.

Available with antimicrobial materials.

Materials and finishing

Seat and backrest	Grada plywood in natural colours LN, LMG, LPLY and LSG. LN plywood with stained colours.
Seat upholstery	Blazer, Breeze Fusion, Capture, Fame, Highland, Maglia, Silververtex and Vita. Leather.
Leg	Chromed crossbase. Lounge chair's leg silver, grey, chrome, black or white.
