

Social Sharing

A feature of Social Recognition®

Great work just got a bigger audience
Extend the life and reach of every recognition moment.

With Social Sharing from Workhuman®, transform employee recognition, Service Milestones, and Reward Stories into powerful moments of connection on LinkedIn and Viva Engage. Social Sharing turns every recognition moment into a catalyst for connection, culture-building, and compounding business value.

Social Sharing in action

Boost recognition program engagement

Broadcast stories beyond your recognition platform, driving program engagement and providing social proof of the impact of recognition.

Extend the recognition lifecycle

Turn a moment into a movement – foster broader community connection and more opportunities to highlight employee performance.

Amplify strategic & cultural alignment

Reflect how your people are living your company values through their work, drawing even stronger links between recognition and strategic values.

Build your employee brand

Empower employees to easily share their career achievements and milestones. Those authentic stories showcase your unique culture and can help attract new talent.

Everyone benefits:

Program Managers

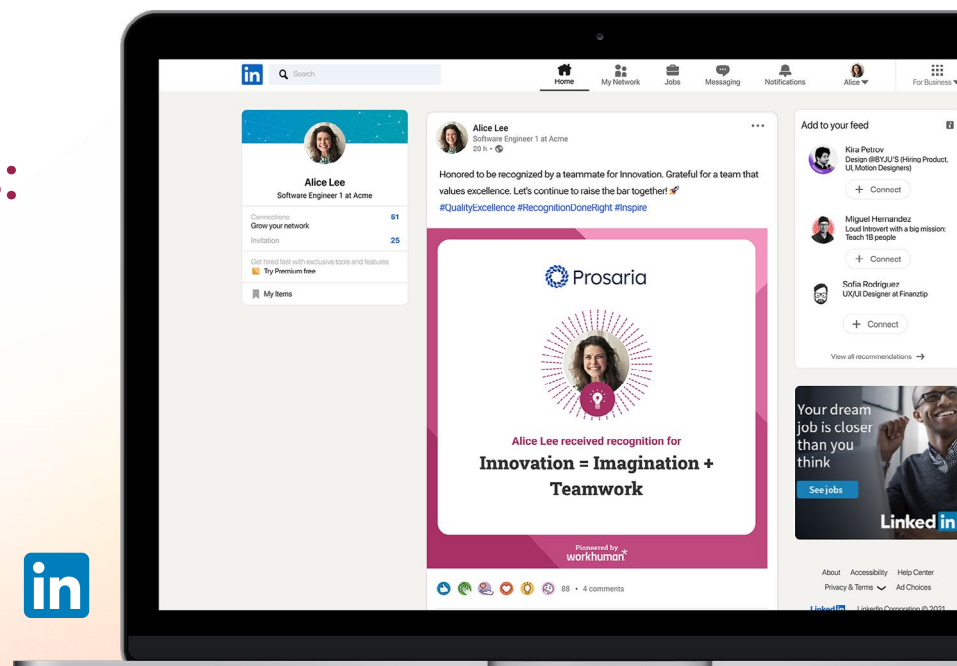

Employees

HR Leaders

Executives
