

What's coming to the Workhuman Cloud: Release highlights

November 2021

What's coming in November

Product	Feature	Overview	Availability	Prerequisites
Social Recognition	In-App Guides and Help Center	Easy-to-follow guides will automatically appear when users log in to the site for the first time. The guides will convey the power of social recognition and how to get started. These guides will also be available for any user via the new Help Center.	Available for All	Awards Feed and updated profile enabled for all users
Store	Wishlist	Users will be excited to redeem their recognition awards knowing exactly what they want is saved to their "Wish List". They will be able to redeem quickly and enjoy their items that much sooner, bringing their recognition moment full circle.	On for All	Offer Merchandise as a redemption option

New user guides and a Help Center

General Availability –
On for most clients*

- Users who log in to the program for the first time, like new hires, will build confidence and learn why Social Recognition is a win for all as they are guided through easy-to-follow steps to get started
- The guides will be available to all users via the new Help Center so everyone can see how easy it is show appreciation and be appreciated
- The improved user experience makes sure the recognition program is widely adopted, runs efficiently, and delivers impactful outcomes for your organization over time

** Will be auto-on for most clients. Contact your Customer Success Manager for more details*

Step 0 of 2
- Redeem your Awards
Step 0 of 2

Hi Alan,
Welcome to Your Recognition Program!

You can express gratitude for your colleagues' work and celebrate your successes together through social recognition.

See how social recognition works in just 4 quick steps.

[See How It Works](#)

Personalize your Profile

Personalize your profile by uploading a photo of yourself. A photo will help put a face to your name and make it easier for colleagues to search for you and send you recognition.

- On for All*

Wish List

- Now, when you're inspired by an item, but aren't ready to buy or are still saving up points- you can add it to your wish list.
- When you're ready, move your Wish List items to your cart, check out, and enjoy!

** Will be auto-on for all clients with merchandise available for redemption*

The image displays two screenshots of the Workhuman app interface. The top screenshot shows the 'Wish List' page, which lists items added to the wish list, including the Nespresso Creatista Plus Machine (1350 Points) and the Samsung Galaxy S6 Lite (4150 Points). Each item has a 'Remove' button and a 'Move to cart' button. The bottom screenshot shows the product details for the Nespresso Creatista Plus Machine, highlighting the 'Add to Wish List' button. The product details include the price (1350 Points), a description, and shipping information.
