

What's the big news?

Workhuman® was named #1 in the recognition category of HRO Today's Baker's Dozen.

HRO^{TODAY} Baker's Dozen
Customer Satisfaction Ratings

**RECOGNITION
2022 WINNER**

Who determined the rankings?

The award was based on customer feedback via a questionnaire from leading companies who experience the value of our product every day.

Why was Workhuman ranked #1?

A number of things, such as:

- **Providing a delightful employee experience**

Our intuitive, immersive employee platform helps every human feel seen, celebrated, and appreciated by amplifying employee voices and recognizing achievements.

- **Pioneering industry-leading HR analytics**

20 years of performance data + artificial intelligence and machine learning means powerful insights and actionable recommendations around diversity, equity, and inclusion; how and when work gets done; pay equity; and more

- **Leading in technical innovation**

Workhuman Cloud is a true multi-tenant SaaS, scalable with support for multiple programs. With a robust native mobile app and multiple service integrations, it's an innovative solution to drive employee connection.

- **Delivering a global e-commerce experience**

Our industry-leading store offers millions of redemption choices, in-country merchandise fulfillment in 77 countries, and culturally relevant redemption options globally.

- **Achieving faster time to value**

As experts on a global scale, we'll get you set up and launched quickly with a proven, high-performing program that your users will adopt quickly and use frequently. Adoption and training guidance is built in, along with 24/7 customer support.
