

Charisma Coach Training

A Virtual World That Invites Real-World Connection

As a trained Charisma™ Coach, you will have access to our award-winning online platform and secure portal. With the click of a button, you and your clients can enter a virtual world to practice a dynamic range of social encounters and play with purpose.

Conduct strengths-based, in-the-moment social coaching that empowers your clients to discover their authentic social self. Transform how you teach cognitive strategies to inspire individuals to think, interact and thrive, socially.

Discover the power of creating new connections in meaningful ways. Build confidence and compassion. It's Charisma.

Who can benefit?

Clinicians and coaches seeking to create safe, virtual interactions using evidence-based, strategy-focused social learning tools

Psychologists and educators working in their communities to support youth and adults (ages 8 and up) who struggle socially

Speech language pathologists and certified counselors pursuing CEUs and elevating the client experience using technology to train social skills

How does it work?

- Online training from anywhere with a computer and internet
- 24-hour virtual training process
- Program Materials: software and portal access, social coaching manuals and strategy training
- Program Costs: \$2,400 training fee with \$25 software access fee per Charisma session (complimentary software access during mentorship)
