

# ALL ABOUT IMPOSSIBLE™ SAUSAGE MADE FROM PLANTS

There's nothing quite like Impossible™ Sausage Made From Plants. And as hosts, servers, and restaurant managers, you might get some questions from guests like, "are you sure this is made from plants?".

Here's a little cheat sheet that covers some of the most common questions:

## WHAT IS IMPOSSIBLE SAUSAGE MADE FROM PLANTS?

It's delicious Sausage Made From Plants for meat lovers! You've gotta taste it to believe it! Many consumers actually prefer the flavor over pork sausage.

## WHY SHOULD I TRY IMPOSSIBLE SAUSAGE MADE FROM PLANTS?

- It's unbelievably delicious (preferred over the leading brand of pork sausage!).\*
- It's got all the protein of pork sausage, with 45% fewer calories, 60% less total fat and 0 mg of cholesterol.
- It's made from plants.
- It's made for people who love meat
- It's way better for the planet than sausage from pigs — because it uses a fraction of the land and water, and generates far fewer greenhouse gas emissions.

## WHAT MAKES IT TASTE SO GOOD?

The meaty flavor comes from a combination of natural ingredients, but mainly, it comes from "heme" — a molecule found in all living things that gives meat (and the Impossible Sausage) its unmistakably meaty flavor.

## WHAT'S IN IT?

It's primarily made from soy protein, coconut oil, and sunflower oil — with one special ingredient: heme.

## IS IT VEGAN?

Impossible Sausage is made without any ingredients from animal sources, and it's really made for people who love eating meat — which is why we don't call it "vegan" or "faux" (even though vegans can eat it). It's a plant-based protein that everyone can fall in love with.

[If offering an Impossible menu item to a vegan customer, be sure to check with the kitchen staff on whether the dish can be prepared entirely plant-based. For example, anything containing cheese, butter, and eggs would have to be removed for vegans.]

## DOES IT CONTAIN ALLERGENS?

It's plant-based, nut-free, and dairy-free. It contains soy.

## NUTRITIONALLY, HOW DOES IT COMPARE TO PORK SAUSAGE?

It matches the protein levels in pork sausage and compared with the leading sausage brand has:

- 45% fewer calories
- 60% less total fat
- 0 mg cholesterol (in 1.6oz of Impossible™ Sausage)

## DOES IT CONTAIN ALLERGENS?

It's plant-based, nut-free, and dairy-free. It contains soy.
