

# PRODUCT PORTFOLIO

Hi! We're Impossible Foods, and we make delicious meat, made from plants, for people who love eating meat. When our company was founded in 2011, we started with a simple question: "What makes meat taste like meat?" Then we took everything we know and love about meat and aimed to make it even better—using plants, which is also better for the planet.

## IMPOSSIBLE™ BEEF MEAT FROM PLANTS

Impossible Beef has all the meaty sizzle and taste you crave, but is way better for the planet. It's also a 1:1 substitute for animal-derived ground beef in any build — grilled, sauced, braised, baked, you name it. From burgers to tacos, sandwiches, chili and more, your menu will never be the same. Additionally, try Impossible Beef Jumbo Hot Dogs Meat From Plants, our delicious, meaty plant-based hot dog!
