How long is the commercial warranty valid?

The commercial warranty is valid for 10 years from the date the Furniture was purchased in a Westwing online shop, retail store or one of our sales partners (means any individual or legal entity that is authorized by Westwing to promote, market, and sell Westwing Collection products. You can find the current sales partners here: [Where can I visit a Westwing Store? – Westwing Helpcenter](#)). The period for calculating the commercial warranty begins on the date of the invoice. The commercial warranty can only be claimed online via our Customer Care Team at <https://support.westwing.com/hc/requests/new>. In order to process your claim, you must provide proof of purchase (such as a receipt or invoice) confirming the date and place of purchase, along with a description of the defect and, photographs or videos clearly showing the defect. The proof of purchase can be found in your customer account or in the confirmation email of your purchase.

In order to claim under the guarantee, any material and manufacturing defects must be reported to Westwing within a reasonable period of time after their discovery.

What is covered by the commercial warranty?

The commercial warranty covers material and manufacturing defects in Furniture from the Westwing Collection and ensures that any defects will be repaired or the Furniture exchanged within the commercial warranty period.

The commercial warranty applies to all Westwing Collection Furniture purchased in Great Britain.

The 10-year commercial warranty for Westwing Collection Furniture only applies to consumers. In the event of defects, the consumer is entitled to the statutory rights, the utilisation of which is free of charge, and which are not restricted by this commercial warranty.

This commercial warranty applies in accordance with the commercial warranty conditions listed below and is an exclusive service that applies in addition to your statutory warranty rights and does not in any way affect or limit those statutory rights.

Which cases are not covered by the commercial warranty?

- Normal wear and tear, scratches, nicks or other damage resulting from improper use, accidents, impacts or other external influences. This also includes colour changes due to incorrect use or handling.
- Damage and discolouration caused by inadequate or improper care or maintenance contrary to [Westwing's care instructions](#).

- Damage to Furniture that:
 - have been improperly stored, assembled or used,
 - have been changed,
 - were exposed to extreme temperature fluctuations,
 - were exposed to direct sunlight or stored in unsuitable environments such as outdoors or in the bathroom.
 - Caused by the fault of the customer
 - Caused by force majeure
- In the event that Westwing replaces a piece of Furniture with a replacement product under the commercial warranty, the commercial warranty shall lapse. No 10-year commercial warranty is granted on the replacement product. Your statutory warranty rights can be asserted with regard to the replacement product.

What do we do to eliminate an error?

After reporting a defect, Westwing checks whether the commercial warranty applies. Westwing then decides whether the piece of Furniture should be repaired or replaced. Westwing will bear the costs incurred for the repair, the replacement of affected parts or the replacement item as well as the shipping costs to the country in which the original piece of Furniture was delivered. If the item of Furniture is no longer available, Westwing will determine an appropriate replacement product.

The error will be rectified either by Westwing itself or by an authorised partner. This is done without any further claim to a price reduction.
