**Coffee  
Table**

# Components

---

**1x**      **Round Table Top**  
OR  
**Oval Table Top**

---

**4x**      **Legs**

---

**8x**      **Fasteners**

# 1

## Align the legs

Starting with table top facing down, align each leg with the sets of holes on the bottom of the table (one at a time.)

# 2

## Secure the legs

Insert fasteners into the two holes on each leg. Hand-tighten each fastener to secure the legs to the tabletop (x8).

# 3

**You're  
done!**

**Don't be shy - we'd  
love to see your  
table's new home!**

## **⚠ WARNING**

### **ASSEMBLY:**

Use extra caution when assembling and have someone assist you. Do not change the specifications or modify this product or use for any other purpose beyond its intended use as a table. Incorrect assembly can cause product to fail and cause personal injury. Double check that all fasteners are tightened before use. Use caution and have someone assist you when flipping over the Table.

### **USAGE:**

Remove all packaging before first use. Check periodically that all fasteners are securely tightened. Be aware that fasteners may become loose with prolonged use. Do not drag the legs on floor. The legs and Tabletop are only intended for use as shown with The Floyd Coffee Table. The Table is only meant for use indoors. Do not load the Table with more than 150 lbs. Sitting, standing or leaning on product may cause risk or personal injury. Inspect fasteners and metal legs regularly. Replace if fasteners are damaged, or if metal parts are worn, rusted, bent, deformed or damaged. Do not attempt to detach legs while table is upright/standing. Do not attempt to move or flip the table over without assistance. Failure to observe recommended practices such as loading beyond capacities can result in unsafe usage conditions and product damage or personal injury.

### **CHILDREN:**

Exercise caution when children are near or using table. Do not allow children to loosen, remove, or play with the fasteners or metal legs. Do not allow children to climb on, sit or stand on top of, or play underneath the Table. Keep all packaging and parts away from children. There is a risk of choking and suffocation.

### **CARE:**

The table is made from birch plywood finished in a water-based polyurethane clear coat. For daily cleaning, use a damp cloth with a dab of dish soap or vinegar. For anything tougher, use vinegar diluted in water. Wipe the table dry after cleaning, and never let standing water remain on the surface for an extended period of time. Potted house plants may leave water marks on the table if left for an extended period of time. We suggest using water-tight pots or plastic drainage trays and frequently cleaning the area under the pot. The surface is made from real wood and as such may fade over time in direct sunlight.
