

Press release

dormakaba and Officine DMB strengthen their strategic partnership in the Marine sector

Milan, 27 January 2026 – dormakaba, a global leader in access and security solutions, confirms and strengthens its collaboration with Officine DMB through an agreement that formalizes the company's role as a strategic partner in the Marine sector.

On 1 January 2026, at the headquarters of Officine DMB, dormakaba formalized its collaboration with the company through the signing of an Agreement.

Officine DMB is recognized as a key partner for the naval market, an area in which dormakaba has identified a clear priority for international development. The growth strategy in the Marine segment includes the creation of a global network of specialized partners capable of ensuring a consistent and high-quality level of service aligned with dormakaba's standards worldwide.

The collaboration between dormakaba and Officine DMB is defined as a stable and reciprocal cooperation, aimed at responding effectively and in a coordinated manner to the needs of customers in the naval sector.

A key element of the partnership is the training program completed by Officine DMB's technical staff, who have successfully completed dormakaba's official training courses at dedicated training centers. The program included essential modules in sales & technical product training, with a specific focus on dormakaba solutions designed for the Marine sector, in particular:

- Swing Door Operators
- Sliding Door Operators
- dormakaba Door Closers

To ensure continuous updates and maintain high technical standards, Officine DMB also commits to participating annually in refresher sessions provided by dormakaba.

Statement by *Alberto Bergamini*, Project Sales Manager at dormakaba Italy

"With Officine DMB we have built a collaboration based on complementary skills, mutual trust, and a long-term vision. The Marine sector is a strategic priority for dormakaba, and being able to rely on a partner who is prepared, trained, and aligned with our standards represents a key element in successfully addressing the challenges of this market. This agreement marks the starting point for joint and sustainable development over time."

Statement by *Agostino Verdoliva*, Representative of Officine DMB

"We are proud to embark on this path together with dormakaba, a company that is an international benchmark for innovation, reliability, and quality. Our collaboration is born from a shared vision: to offer the Marine sector technical solutions of excellence, supported by solid expertise and an approach focused on continuity. This agreement represents a further step in consolidating our role in the Marine sector, strengthening our commitment to ensuring competence, local presence, and a level of service fully aligned with dormakaba's standards. It is a partnership that enhances our capabilities and enables us to offer the market an even more structured and reliable support. We are convinced that this synergy will lead to concrete and long-lasting development."
