<b>Operator</b>	Honeysuckle and Jasmine Court Apartments are operated by Belong Limited, a not-for-profit provider of care villages. They were opened in 2011.
<b>Property type</b>	<p>54 apartments located in two three-storey buildings: Honeysuckle Court and Jasmine Court. There are 27 apartments in each building, with nine apartments on each floor. In total, there are 35 one-bed apartments and 19 two-bed apartments. These are distributed so there are a mix of one and two-bed apartments across all floors in both buildings.</p> <p>Apartments are available to rent or buy, or via our shared ownership scheme, and have been pre-owned/pre-rented.</p>

<b>Tenure</b>	<p>Shared ownership / leasehold (start of lease 99 years from 2010).</p> <p>In simple terms, sharing owners buy a share in their home, which can be any percentage between 30% and 90%, and then pay rent pro rata for the remaining share. For example, if you bought a 1-bed apartment where the full price is £182,000 using a 50% shared ownership arrangement, you would pay £91,000 for the 50% share, which can be raised by either a mortgage, through savings or from the sale of your existing home.</p> <p>You would also pay 50% of the rent that would normally be charged on the property to Belong.</p> <p>You can ask Belong to consider your request to buy further shares in the property until outright ownership is achieved. The cost of your new share will depend on how much your property is worth when you want to buy the share. You may also have to pay the legal fees.</p> <p>The above is an example only; schemes are tailored to suit individual circumstances.</p>

### Annex to Key Facts – The Reserve Fund

<b>What is the Reserve Fund?</b>	The Reserve Fund is a contingency or reserve fund used to offset the cost of major repairs or replacements in the future, such as lifts, roofs, windows, doors, driveways, paths, heating systems, and fencing. Contributions to the costs of major repairs, replacements and improvements within the community are collected through the Community Fee payable by tenants.
<b>What processes are in place to assess future capital expenditure needs?</b>	Professional surveyors carry out regular site inspections for Belong to determine future capital investment needs. A rolling capital investment programme is in place to ensure that the properties are always safe and maintained in good condition.
<b>Will tenants be liable for further charges if the Fund is unable to cover the full costs of major capital works?</b>	If there is any unforeseen need for capital investment and it cannot be met from the Reserve Fund, Belong would cover the costs and seek to recover these through future increases in the Community Fee.
