

**BELONG CHESTER**  
**HOUSEHOLD KEY FACTS & PRICING INFORMATION**  
From 1<sup>st</sup> April 2025

**Our care**

**Belong provides 24-hour care on-site, as well as day care, and an Admiral Nurse service. Accommodation is offered either in households for 24-hour care or in apartments for independent living. Details of these are provided below.**

**24-hour care**

- 24-hour care is provided to people living in our households.
- The village is registered to provide both nursing care and personal care (sometimes described as residential care).
- We are specialists in supporting people with dementia to enjoy independence and a high quality of life.
- We are regulated and inspected by the Care Quality Commission. As Belong Chester is a new facility, we are registered with CQC but have not yet been rated. However, all other Belong villages are rated Good or Outstanding.
- There are 72 suites in Belong Chester, arranged in six households, with each household containing 12 suites; this ensures customers live in a relatively small, homely environment.
- Each suite (from 20m – 28m<sup>2</sup>) consists of a bedroom with an en-suite, including a walk-in shower; beds are three-quarter size rather than single, and nursing beds are available if needed.
- During the day, there are typically two to three team members on shift at any one time on each household (supporting up to 12 customers); the exact number is dependent on the time of day and a needs assessment.
- There is always at least one nurse on-site, day or night.

## Our care costs

The summary of Belong Chester’s standard charges for 24-hour care (self-funded customers) is as follows:

	Weekly rate*	
	From	To
Permanent residence in a household	£1,755	£1,905
Respite stay	£1,855	£2,005

*Fees are reviewed annually on 1<sup>st</sup> April.*

## Important notes about our charges

Note that fees are payable monthly in advance by direct debit, while respite stays are payable in full prior to the stay.

Where nursing care is provided, Belong accepts the Funded Nursing Care (FNC) contribution paid by the NHS in addition to fees paid by the customer as outlined above; this means that if you find yourself needing nursing care, the amount you pay is not normally affected.

## Funding towards your care costs

We accept NHS Continuing Healthcare Funded placements and local authority funded placements, where an agreement for a top-up to the full weekly fee is in place with a third party; again, this is payable monthly in advance by direct debit.

You may be eligible for a range of allowances and benefits to help with care and living costs. For all customers, we carry out a financial assessment as well as a care assessment. Our customer support adviser will be able to signpost a number of information sources at this point if you need further assistance. You can also find resources in the ['Advice'](#) section of our website.

## **Key terms and conditions**

All rates are subject to a needs assessment and your fees are confirmed in writing.

If you are assessed as requiring one-to-one support, either to support with the settling in period or for other reasons, this is explained as part of the care assessment and charged separately.

There is a reduction in fees of 10% for periods of absence from the village (for example, for a holiday or hospital stay) from the 8th day of the absence. This reduction reflects a fair and reasonable reduction in fees based on the costs we will not incur during the absence, such as food and drink.

Fees are reviewed annually on 1<sup>st</sup> April (28 day written notice will be provided).

For 24-hour care, the maximum increase per week is £125 for personal support or nursing support, representing a 7.2% cap. Belong may apply a lesser increase, but will not apply a higher increase, except in the event of unexpected major changes in the environment, which lead to cost increase in excess of those allowed for above.

A financial assessment is completed prior to moving in for all customers (irrespective of funding route) and we usually expect that three years' funding is in place. If a customer runs out of funds, we do everything possible to enable them to remain in Belong and work with the local authority to facilitate this; however, we can't guarantee it and if you cannot secure the funding to pay our fees in full, we will assist you to find alternative accommodation.

A contract with full terms and conditions will be provided at assessment and a copy can be found on our website.

## **Care fees breakdown and additional costs**

The household fees include:

- Care and staffing costs
- Accommodation
- Food and drink (whether taken in the household or the Bistro)
- Activities including exercise within the village
- Laundry
- Utilities (gas, water, electricity)
- Wi-Fi

Optional extras, which are not included, but can be arranged by customers or their representatives are:

- Television subscriptions
- A private phone line

Optional extras, which are not included, but can be arranged by Belong include:

- Hairdressing
- Newspaper deliveries
- Some activities, e.g. outings
- Escorts to appointments
- Appointments with visiting professionals\*

\*We can support you to access visiting professionals such as podiatrist and optician visits. Please speak to a member of the team.

Full details of what is and isn't included in our fees are spelled out in our 'Your Guide to Living in a Belong Household' publication, available on our website.

## **Day care**

- **Day care at Belong Chester is a supported service, normally charged at £92.50 per day (subject to an assessment).**
- The service is available from 10am – 4pm Monday to Friday under the Experience Days service.
- The daily fee includes lunch.
- Customers also have access to the village's specialised exercise gym, for an additional charge; appointment required.
- All rates are subject to a needs assessment and are confirmed in writing. For example, higher charges would apply if a customer needed one-to-one support.
- Charges are subject to a needs assessment and confirmed in writing.
- Fee levels are reviewed annually, and any change is normally applied from 1<sup>st</sup> April (28 day written notice will be provided).

## Home care

**Belong at Home Chester is a registered service, available to support people living in their own homes, within a Belong apartment, or in the wider community.**

The team provide personal living support in the home and enable customers to go out in the community, for example, to take part in social activities, pursue hobbies or attend hospital appointments.

Awaiting CQC inspection following launch of service in December 2024.

**The minimum visit is 30 minutes and current rates are:**

- **£24.75 for 30 minutes**
- **£31.13 for 45 minutes**
- **£37.50 for a 60-minute visit**
  
- Rates are charged double on bank holidays and £1 per hour premium at weekends.
- Charges are subject to a needs assessment and confirmed in writing.
- Fee levels are reviewed annually, and any change is normally applied from 1<sup>st</sup> April (28 day written notice will be provided).

## Admiral Nurse Service

**Belong offers a free Admiral Nurse Service to Belong customers and their family members and carers.**

- Belong's Admiral Nurses work across villages and appointments are arranged via the village team.
- As mental health nurses specialising in dementia, Admiral Nurses provide individualised support for those medically diagnosed with any form of dementia.
- Belong works in partnership with Dementia UK to provide its Admiral Nurse Service, enabling nurses to access specialist dementia training and development.

## Facilities

**Belong Chester has the following facilities in the village centre:**

- Bistro
- Venue – a function room with licensed bar – used for village community events and available for hire for private events
- Hair and beauty salon
- Therapy room
- Gym – see below for further details
- Library
- Garden room
- Creative suite
- Assisted bathroom
- Gardens
- Intergenerational Nursery - see below for further details

*Facilities subject to change.*

## Gym and exercise service

**Belong Chester’s gym will be fitted with specialist hi-tech equipment, designed to enable older people to exercise for longer in a targeted way.**

It includes large screens to view breath-taking scenery while cycling, and virtual reality games to build strength, balance, cognition and movement.

Belong exercise specialists work with residents and customers from the community. Household residents are encouraged to use the gym regularly and this service is included within our fees.

For customers living in the wider community, including residents in our apartments, there is a charge, and prices are available from the village exercise specialist.

## **Intergenerational Nursery**

**The village's 25-place nursery, featuring a secure sensory nature and play garden, provides a high-quality care and learning environment for children from birth to five years, operating flexibly over six days a week to accommodate work and shift patterns.**

As a pioneering concept, the intergenerational nursery is designed to offer shared learning experiences and opportunities for children, families and older people, and will develop into a blueprint for intergenerational practice.

Village and nursery teams work closely together to create a truly shared environment where children and older people can actively spend time together building meaningful relationships and connections.

This makes the Chester site Belong's first truly integrated intergenerational care village.

## **Belong Apartments**

There are 23 apartments in Belong Chester available to rent or buy: sixteen of these are one-bedroomed and seven are two-bedroomed.

*See separate Key Facts (Purchase, Part-Purchase/Part Rent, or Rent) for further information on these properties, pricing and details of all relevant charges.*

## **Find out more**
