## Apartment living

For independent individuals or couples, moving to Belong offers the opportunity to start your new life in a light, modern apartment.

With a choice of one or two bedroom apartments and superb village facilities on site, a Belong apartment is a place where you can be yourself, entertain old friends and have the opportunity to make new ones.

### Vibrant Community

It is a haven of privacy, with a vibrant community right on your doorstep. Village facilities, from bistro to hair salon and exercise studio to function rooms, are open to the wider community and offer opportunities to meet with a range of people and pursue your interests. You can join in as much, or as little, as you please.

### Experience Days Service\*

Apartment customers who need more support to join in with activities can do so by taking advantage of our Experience Days service, which is a facilitated programme for small groups, typically taking place from 10am – 4pm daily.

### Exercise Studio\*

Belong provides an award-winning exercise service with state-of-the-art equipment and personalised programmes that have a proven track record in improving strength, balance, mobility and overall wellbeing for older people.

### Support in your home

For those in need of more support within their apartment, Belong is able to provide high quality home care through its registered Belong at Home domiciliary service\*. Customers may also choose their own home care provider.

The Belong lifestyle is actively chosen by many older people, because it offers peace of mind, choice and independence. Everything we do is done in partnership with the people who choose to live with us and this relationship is at the heart of Belong.

## ‘Buy back’ scheme and financing options

Apartments are available to rent or purchase, with a monthly community fee, payable in both cases to cover many of the building maintenance, utilities and emergency response costs. Please see the Key Facts document for each village for details of the financial arrangements for renting or purchasing a Belong apartment.

For those who do opt to purchase, the ‘Buy Back’ scheme guarantees that we’ll repurchase your apartment for the same price that you originally paid (subject to reasonable deductions for any repairs, arrears and legal costs). We aim to avoid exposure to price fluctuation on the open market and provide peace of mind for apartment owners.
