Help around the home

As well as all the personal and medication support you would expect from an award-winning home care provider, your friendly Belong at Home team are on hand to assist with the seemingly little things in life, which can make a big difference such as: domestic calls, companionship, trips out, plus shopping and appointments. Or, if you need some support but it's not listed, get in touch as we can probably help. We currently have availability so if you would like to arrange a free assessment, please contact area manager, Sophie Walls, on 01942 855600, or email: homecare@belong.org.uk.

A new address

The Belong lifestyle is actively chosen by many older people, because it offers peace of mind, choice and independence. A Belong apartment is a haven of privacy, with a vibrant community right on your doorstep. We currently have a few apartments available so, call the village reception on 01942 855600 to arrange a personal tour and to ask about our free month's rent offer (terms and conditions apply).

Our events programme is inspired by the interests of our community. If there is anything you would like to see added, please share your ideas with our Experience Coordinator, Charlene Frodsham or email: charlene.frodsham@belong.org.uk
