

Participation in the Home Energy Assessment program precludes homeowners from receiving rebates for the same upgrades in other Efficiency Nova Scotia programs. Only rebates from one program will be issued for any particular measure.

Wood/Pellet Burning Equipment Rebate Guide

Equipment Information and Eligibility Criteria				
Wood Burning Equipment	Incentives	Equipment Eligibility		
		Certification Requirements	Emissions Requirements	Install Requirements
*Wood Stove or Fireplace Insert	\$500/Unit	CSA-B415.1-10 or US EPA CRF Part 60 AAA	EPA or CSA emissions of ≤ 2.5 g/hr	Must be inspected and approved by a WETT Certified Inspector or installed by a Wood Energy Technology Transfer (WETT) Certified Installer
*Pellet Stove or Fireplace Insert	\$500/Unit	CSA-B415.1-10 or US EPA CRF Part 60 AAA	EPA or CSA emissions of ≤ 2.5 g/hr	
Wood Boiler or Centrally Ducted Forced Air Furnace	\$1000/Unit	CSA-B415.1-10 or US EPA CRF Part 60 AAA	Emissions level of 0.15 lb/mmBtu (0.064 g/mJ) heat output	Must be inspected and approved by a WETT Certified Inspector or installed by a Wood Energy Technology Transfer (WETT) Certified Installer
Pellet Boiler or Centrally Ducted Forced Air Furnace	\$1000/Unit	CSA-B415.1-10 or US EPA CRF Part 60 AAA	Emissions level of 0.15 lb/mmBtu (0.064 g/MJ heat output)	

Solar Thermal Equipment Rebate Guide

Equipment Information and Eligibility Criteria				
System Type	Incentives	Equipment Eligibility		
		Certification Requirements	Emissions Requirements	Install Requirements
Solar Thermal: Air-to-Air	\$400/System	Solar collectors used in residential homes must have OG-100 Collector Certification by SRCC (Solar Rating and Certification Corporation).	N/A	<ul style="list-style-type: none"> • Components must be new and unused • System installations must conform to manufacturer's specifications and all applicable codes and standards • Must be designed for heating season operation

Please Note: Rebates are not available for the replacement of working equipment. If replacing non-working equipment please contact us prior to making your purchase and we can confirm eligibility and rebates. A letter from your contractor will be required to indicate the state of the previous equipment.

*For installations between February 1st and April 30th, 2024, wood/pellet stoves and inserts incentives will increase to \$750/unit as part of a spring promotion. For installations outside of these dates, a rebate of \$500/unit will apply.
